Editor, Daily News,
Prince Rupert, B. C.

Regarding the moving picture "King of Kings," that was shown at the Westholme Theatre on January 21, 22 and 23, I would like to say that the admission charges for same at the Royal Victoria Theatre, here, week of Jan. 14 to 19, ranged from 85c to $1.65 and NO orchestra was carried in connection with it.

Col. McMordie should be congratulated for the excellent brand of pictures that he has shown in the past few months for many of them have appeared in Prince Rupert weeks ahead of Victoria's leading movie houses.

ASKING ROAD PEACE RIVER

Delegates Bring Petition to Victoria From Far Away District

VICTORIA, Jan. 30:—Determined to urge the Government to stimulate trade of the Peace River area with British Columbia by the construction of a road from Pouce Coupe, by way of Hudson's Hope, to Prince George, S. H. Tuck has arrived here with a petition signed by 650 of the 726 registered voters of the district.

Mr. Tuck says the desire is to open a motor road 208 miles in length, which would connect the settlements at Pouce Coupe, Rolla and Dawson Creek, with the road systems of the province. Seventy five miles would be through prairie and light scrub, and thence by water grade to Central British Columbia.

The petition stresses the point that the population of the block has doubled within the past two years, and that it is wholly dependent on Alberta for its business connections and supplies.

Alberta, Mr. Tuck says, has the whole trade of the area, and it is solely with the cities of Alberta that the business is done. In the stores and houses everything is brought in from Alberta and grain and livestock produced in the area goes to market by way of that province. "We never have any official delegation from British Columbia. Legislative parties have come in from Alberta and Saskatchewan and we have had visits from the boards of trade and other organizations of the prairies, but no one from the coast comes to worry about us."

He believes that freight could be taken in from the coast by rail and road to the Peace River as cheaply as at present by way of Edmonton.

Could Not Sleep Heart Would Start Pumping and Pounding

Mrs. Fred P. Averill, 136-12th Ave., Calgary, Alta., writes:—"I was bothered so much with my heart I could not sleep. I would waken up in the night screaming, and my heart would start pumping and pounding.

A neighbor lady told me to try

so I started taking them and I can truthfully say I am a different woman. Altogether I only took two boxes."

Price 50c a box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

District News

VANDERHOOF

R. M. Taylor, local business man, has announced that he will seek election to the board of village commissioners this month. E. B. Smith will not seek re-election but the other two commissioners will stand again.

Rev. David Donaldson, local United Church pastor, addressed the Nechako Farmers' Institute last Friday evening on the subject of "Co-operation." Other items on the program included orchestral selections, solos by J. W. H. Day, Mrs. Stephen Holmes, Frank Bowman, R. H. Moore and Mrs. R. C. McCorkell, and accordian solos by E. A. Allen. President C. Prout occupied the chair and there was a large attendance.

There was only one appeal at the municipal court of revision on the local voters' list.

Messrs. Ludwig and Belt have purchased the big open meadow at Braeside near here.

The board of managers of the local United Church has elected officers for the year as follows: chairman, E. A. Mitchell; treasurer, Dr. W. Ross Stone; recording secretary, William Pearson; corresponding secretary, Rev. David Donaldson.

The municipality of the village of Vanderhoof finished the year 1928 with $654.39 cash in the bank and $27.10 on hand.

The house and effects of Thomas J. Walton, a farmer in the Willowdale district, were completely destroyed by fire last week.

J. M. Johnston shipped a carload of hay to Savory last week. The Central Interior Grain and Hay Pool shipped a carload of grain to Willow River.

George C. Holt is seriously ill here and is not making as good progress as might be wished for.

How Best to Use Vicks VapoRub After the Flu

Late Winter Colds are Doubly Dangerous this Year; Don't Let them get a Start.

AVOID PNEUMONIA OR A SECOND ATTACK OF FLU

If you catch a fresh cold, don't keep it overnight. If possible, go home and go to bed. Take a laxative and a hot lemonade, apply hot wet towels over throat and chest until the skin is thoroughly reddened. Then rub vigorously with Vicks. Spread on thickly and cover with warm flannel.

Leave the bed-covering loose, so that teh vapors, released by the body-warmth, may be freely inhaled. At the same time, Vicks acts through the skin like a poultice.

Repeat this treatment every four hours, eat lightly, and stay in bed until the cold is broken. Complete rest helps the body throw off the cold more quickly.

Mothers especially appreciate Vicks for the children. As it is applied externally, it can be used freely and often, without upsetting delicate digestions, as too much "dosing" is so apt to do.

COLD SNAP HERE IS ABOUT OVER

Barometer Drops, Thermometer Rises, Wind Changes After Several Days of Frigid Conditions

With the barometer dropping from 30.21 yesterday morning to 30.12 at 8 a.m. today and the wind veering around from northerly to easterly, a distinct moderation was noted this morning in local weather conditions following the cold snap of the last few days. It now looks like the registry, the Garthpool is a galmuch enjoyed, is limited and that relief may soon be forthcoming for frozen water pipes which have been general throughout the city. Last night's lowest thermometer reading was 21 above zero, the Digby Island meteorological station reported this morning.

At 8 a.m. a light fall of snow was recorded at Digby Island but there was no snow in town.

Eyes of Blue —true to you
Eyes of Gray —love while away

What are YOUR eyes saying to-day?

Your eyes have no voice, but they speak — they show moods and temper. They do more, they show your physical condition. Are they clear, bright, sparkling with health—or dull, with a yellowish tinge to the whites? This yellowish tinge is the signal of intestinal sluggishness—auto-intoxication and liver trouble. Don't neglect this warning of poor health to follow.

BAD EYES

Are your eyes peculiar—a little different? Harder to test than many?

That is the kind we take a special interest in and usually satisfy our customers.

In fact, if the eye is not diseased, and glasses are really what is needed, we are sure we can suit you.

Lenses ground specially for each eye when necessary.
