ARMY AND NAVY VETERANS PASS RESOLUTIONS

Ask for Bonuses From War Indemnity—Grants Asked for Fishermen as Well as Farmers.

Constable Logan who was in Montreal recently to attend a meeting of the Army and Navy Veterans and who is now home, tells of the work accomplished at the gathering. A number of resolutions were passed including one asking the Dominion Government to provide special bonuses for fighting men up to \$2,500 to be paid out of Canada's share of the war indemnity. Other resolutions were:

Cost of Living.

"Resolved, that the Dominion Government be requested to take up in a practical way the question of the present high cost of living and the curse of profiteering, with a view to the reduction of the former and the elimination of the latter."

"Resolved, that this convention of Army and Navy Veterans, representing many thousands of ex-service men, who were away at the time the war measure was passed restricting the sale of intoxicants, which measure is now in force in the Dominion. Now, therefore, be it resolved, that the Provincial Governments be asked to take a referendum in each province as to whether beer and light wines may be sold in the respective provinces."

Indignation was expressed at the inequality of clothing allowances now prevalent, and in this regard the following resolution was adopted:

"Resolved, that clothing allowances be made retroactive, so that the volunteers of 1914-15-16-17 may be placed on an equality with men who joined under the Military Service Act."

Grants to Fishermen.

A resolution submitted by the Halifax unit was adopted in the following form: "Resolved, that the Federal Government be urged to grant to seamen, fishermen, and all those who were engaged or wish to engage in business other than farming, a loan equal to that granted under the Land Settlement Act, in order to become re-established into civil life."

Sport

It has been announced that Pete Herman, champion bantamweight boxer, and Jack Sharkey of New York have agreed to meet in a Milwaukee ring, August 15, in a ten-round no decision bout.

In writing to his parents in Pasadena, California, Chas. Paddock told of how he had been knighted by the King of Montenegro following his victories on the cinder track. Paddock who was the star sprinter at the recent inter-allied meet held in Paris explains that he has been given the right to the same rank in the Montenegrin army as lieutenant in the American army.

A few days ago "Cannonball" Baker completed a motorcycle run of 1,714 miles from Blaine on the Washington-Canadian border to Tia Jauna in Mexico in the short time of 65 hours and 53 minutes. He made the trip in a motorcycle with side car attachment and Olin Ross was his passenger. It was the first time that a record had been set for the course for the type of machine which Baker used. The course record for a single seat machine is 53 hours and 28 minutes, made by Wells Bennett a few weeks ago. Baker who once held the record for a one-man machine, announced that in a few days he will attempt to lower the mark.

Fanny Duraek and Mina Wylie will likely be in Victoria this week or next to compete in a gala to be held under the auspices of the Victoria and Island Athletic Association. They are champion swimmers of Australia and have been touring the American continent.

Jack Dempsey has signed a theatrical contract for fifteen weeks' work at \$15,000 a week. He will have his own company and show and will appear in all the leading cities, opening in Chicago

or in St. Louis. The contract is worded so that the champion can double the length of his contract at will. This was a wise clause inserted in the agreement by his manager, Jack Kearns. This really makes it a \$450,000 document.

By defeating Miss Marguerite Davis, St. Paul, Miss Corinne Gould, St. Louis, won the women's singles tennis western championship in Kansas City a few days ago. This is her third championship this year.

Cricket is becoming quite popular in the southern cities. On Saturday the Victoria cricketers went to Vancouver and played against the Mainland team at Brockton point. It was the second game of the series for the Flummerfelt Cup. The Mainland team won the match on the island on Dominion Day and now matters have been evened up.
