TO CLASSIFY BUSINESSES OF THE CITY

Preparatory Step to Taking Vote On Opening of Fruit Stores Evenings and Sundays.

CITY COUNCIL TAKES ADVICE FROM COUNSEL

On the advice of the city solicitor the City Council last night decided to pass a bylaw classifying the various retail businesses in order that they may be in a position to deal with the fruit stores, which for the past few days have been closed and which, presumably, will remain closed after 6:30 until the bylaw governing them is repealed or amended. The resolution making it effective was moved by Alderman Perry and seconded by Alderman Casey that the Mayor and two aldermen should draft a bylaw classifying the various businesses.

W. E. Williams who was present in an official capacity as acting city solicitor, explained that any bylaw passed on a petition could be repealed only on a counter petition signed by half the members of that class. As there were at present no classes set down in a bylaw it was impossible to know whether a grocery included fruit and farm produce vendors. The first thing they had to do was to define the classes. If fruit was put in a class by itself then those businesses would have to close.

Proper Procedure.

Asked by Alderman Casey what would be the proper steps to take in order to open the fruit stores in the evenings, Mr. Williams said that the first thing to do would be to define fruit as a separate class and then the vendors could petition and if the petition was signed by fifty per cent of the vendors the bylaw could be repealed.

Two delegations, one from the fruit stores and the other from the retail stores were given the privilege of speaking. J. C. Gavigan on behalf of the fruit stores suggested that those stores that voted for the closing should also vote for the repeal of the bylaw.

Retail Clerks.

J. S. Pudney representing the retail clerks said that their organization went on record as being opposed to the repeal of the bylaw. They had been working toward the shortening of hours of labor. If this section were repealed it was understood that a move would be made to repeal the early closing bylaw in its entirety. He drew this particularly to the attention of the labor representatives on the Council.

Alderman Casey said that the early closing bylaw was being enforced to such a point as to be injurious to the public by preventing the sale of fruit. It was originally intended to omit places like Killas. He was absolutely opposed to the prohibition against selling fruit. He thought it was an outrage. The prime motive in enforcing it was a spirit of jealousy on the part of the dealers. They also had the big public to serve, however. He was never elected to perpetuate any spiteful scheme of one trader against another. He did not intend to keep silence until the people would have the privilege of procuring a bag of grapes or other fruit after hours or on Sunday.

PICNIC AT LAKES

Tiny Tims and Rooters Enjoy Fine Time at Swimming Resort.

A very enjoyable picnic was arranged yesterday afternoon by George Frizzell who provided the members of the Tiny Tims baseball team and the rooters of the Junior League with an outing to the Salt Lake. The party started at 2 p. m. in the Dixie Rupert and the whole afternoon was spent there in swimming and running around on the beach. Lunch was prepared there by the girls and excellent refreshments had been sent over by the host. It was a very tired party which returned on the Narbethong at 9 o'clock. It is very likely that there will be another such picnic in the near future.

Those who enjoyed the outing were: Laura and Douglas Frizzell, Muriel, Margaret and Mildred Lindsay, Helen Hibbard, Caroline Mitchell, Annie Kelly, Gordon and Russell Bulger, Chester Clapp, "Tootles" and Howard Hibbard.
