LIFTED IN ALBERTA

High Priced Fees and on Dance Halls

and has now come to be taken Nervous and Run Down more or less for granted. Numerous protests, however, have been made from time to time, and the tax cannot be said to have ever been popular with the show going public. The government has now found it possible to lift it so far as the low priced forms of entertainment are concerned. In the case of tickets charged at more than 25 cents, the tax will

last week after having spent a few days in Anyox.

VANDERHOOF

V. Schelderup B. C. L. S. of Burns Lake, accompanied by Pete Sandnes, was here recently surveying the cemetery north of the Nechako River for the village commissioners of Vanderhoof. The cemetery is to be fenced.

Hon. W. A. McKenzie, acting minister of public works, has written the Vanderhoof and District Board of Trade giving assurance that the matter of a road from Fort St. James to Manson Creek will be given serious consideration by the executive council and some action may be expected on the return to Victoria of the minister of public works, Hon. Nelson Lougheed.

A daughter was born last hursday morning to Mr. and Mrs. H. E. McClelland.

Sheriff E. S. Peters and his son, K. Peters, of Fraser Lake, were visitors in Vanderhoof last week.

A FEW FACTS ABOUT PRINCE RUPERT

Prince Rupert is:

The terminus of the Canadian National Railway.

The Central administrative point for the whole of central and northern British Columbia.

The nearest point in British Columbia to the Orient.

The centre of the halibut and salmon fishing business. The centre of an extensive mining and lumbering district.

Prince Rupert has:

One of the finest harbors in the world.

The largest fresh halibut business in the world.

The largest fish cold storage plant in the world. A large, strictly modern drydock and shipbuilding plant. A grain elevator leased to the Alberta Wheat Pool with ca-

pacity of 1,250,000 bushels.

A large, modern ocean dock. A new modern lumber mill, planing and shingle mills and box factory with capacity output of 60,000 board feet daily. Fish reduction plant.

A new mill at Porpoise Harbor and another building along-

side it seven miles from the city. Railway shops employing about 75 men.

Several ship sheds for building and repairing small craft. Provincial government district offices and court house.

Dominion government fisheries, customs, and other offices.

Marine department central station.

Dominion government wireless station. Canadian National district offices.

Dominion fisheries experimental station.

B. C. Packers district offices.

Consolidated Mining & Smelting district assay office. P. Burns Co., Ltd., modern abattoir.

Several docks and wharves used by coasting vessels. Number of fish houses doing an export business.

About twenty salmon canneries in the neighborhood. Several fishery supply and shipchandlery establishments. Several wholesale houses doing a large business in the dis-

trict. Fine modern retail stores:

Good steamship services to Alaska and south to Vancouver and Victoria and west to the Queen Charlotte Islands.

Three large oil and gasoline distribution stations. Good hotels and restaurants.

Prince Rupert has:

Modern high school with first year university classes Four public schools with over thirty teachers.

Seven churches representing the most important demonina-

Paved streets and concrete sidewalks in the business section. Well kept gardens and pretty residences. Number of clubs and fraternal organizations.

No severe cold in winter.

No extreme heat in summer.

No mosquitos or other insect pests.

Great opportunities for boating, fishing and hunting. Fewer climatic or other disadvantages than most places in Canada.

A harbor that never freezes.

pany at Montreal.
