

GYROS BEATEN AT BASEBALL

Taken Into Camp By Sons of Canada in City League Fixture

Before a good sized crowd at Acropolis Hill last night, the Sons of Canada took the Gyros into camp 5-3, in a City League baseball fixture. Downie, pitching for the Sons, allowed only five hits, but was very wild at first, walking four men in the first three innings. He tightened up after that, however, and was never in serious trouble again. The Sons hit safely in every inning but the sixth.

The Gyros lost their chance to win in the second, when with the bases full and none out, Farquhar sent a long fly out to left. Tite, who was on third, got his signals mixed and after the ball was caught walked off the base. Howe threw to Menzies who easily touched him for the second out. Easson hit a hot foul down the third base line. It struck a rock and looked fair, but "the umpire said 'no.'" Art then struck out.

Mitchell, lead-off man for the Sons, hit through short. Howe fanned while Mitchell stole second and third. Wendle, the next man up, placed another single through short and Mitchell scored, Benny going to second on the throw in. Downie smashed a hard single to left and Wendle came home. Stalker ran for Downie and stole second as Lambie fanned. Haveland hit Smith and Menzies, filling the bases. He then caught Smith napping off second for the third out.

The Sons got another in the third. Wendle singled to centre and went to second when Moran threw out Downie on a fielder's choice. Lambie came through with a hit to left and Benny scored.

Mitchell scored for the Sons in the fifth. First man up, he hit a hot one which Easson failed to handle. He stole second. Howe popped out to Haveland and Wendle went out, Easson to Farquhar, Mitchell taking third on the play. Downie crashed his second hit to left and Bill romped home. Stalker, who ran for Downie, was caught off first.

In the seventh, with two out, Mitchell tripled to right. Howe drove him in and Wendle made his third hit. Downie hit one to Haveland for the third out.

How Gyros Scored

The Service Club got one run in the first. Downie threw out Farquhar. Easson drew a pass. He went to second on a balk and stole third. Haveland smashed one at Wendle which he missed and Easson crossed the plate. McKeown hit a fly to Wendle to end the inning.

Bury hit to left in the second. Tite was safe when Mitchell dropped the ball. Then Downie lost sight of home plate, throwing eleven balls in a row. Pritchard and McNulty both walked, forcing Bury in with a run.

Farquhar flied out to Howe

and Tite was out at third. Easson ended the inning by the strike out route.

Gyros' last run was scored in the third. Moran struck out. Haveland walked and went to second as Wendle threw out McKeown at first. Bury got a lucky hit down the third base line and Haveland went to third. Tite bounced a fast one into Downie's ribs and before he could get the ball, Ole had scored and Tite was safe. Downie then caught Bury off second for the third out.

Sport Chat

Somers Son was the winner of the Prince George Derby horse race at the interior town last week, being fully a length ahead of John Franklin. Fast Age was the third horse of the seven in the race. W. R. Hudson held the lucky ticket in the sweepstake on the Derby and collected the sum of \$350. Horse racing was the big feature of the Dominion Day celebration at Prince George this year. In a baseball game, Giscome beat Prince George 10 to 2. There were also many other kinds of sports and races at the celebration.

Stewart also had a big celebration on Dominion Day, one of the features of the proceedings being a baseball match which

centially, getting revenge at the July Fourth celebration in Hyder by winning 27 to 1. The Stewart celebration started off with a big parade in which prizes were awarded for the best decorated cars. Then there was a full program of field sports. At Premier Dominion Day was also observed with a suitable celebration.

Connie Mack, seems to have finally gathered together a baseball machine comparable to his famous old gang of 1905-'09-'11 and '13. Grove, Wahlberg, Rommel, Quinn and Earnshaw do not suffer from comparison even when stacked up against Plank, Bender, Coombs and Bush. Cochran is probably superior to either Lapp or Schang, especially on the offensive. Fox, Bishop, Boley and Dykes are probably not as great as McInnis, Collins, Barry and Baker, but still are great enough to cause anguish among the opposition for years. Simmons, Haas and Miller hold their own with Stunk, Oldring and Murphy.

There is rumor that efforts will be made to organize a golf club in Prince Rupert. Several different groups have been working on schemes but so far no definite announcement is made. What seems certain is that it will be a costly thing and members must be prepared to dig deeply into their pockets.
