WHILE NURSING A BROKEN LEG

A remarkable testimony for Kellogg's ALL-BRAN

"A few months ago I had the misfortune to be knocked down by an automobile, my leg was broken and whole system badly shaken," writes a citizen of Toronto, Canada. "Having lived a very active life before, when forced to lie still constipation soon made its appearance. Drugs and medicines proved useless, and I could not obtain relief until I tried Kellogg's ALL-BRAN. The difference was noticeable almost at once, and from then on, during my entire convalescence, ALL-BRAN kept me in perfect condition. Though I am now over 60 years of age, my physician tells me that I have made the recovery of a 25-year-old man."

Many people who suffer from constipation during the enforced inactivity following illness, or while engaged in sedentary work and study, would find rapid and permanent relief in the regular use of Kellogg's ALL-BRAN.

Kellogg's ALL-BRAN is guaranteed to conquer constipation. Eat not less than two tablespoonfuls every morning, and that amount at every meal if the case is chronic. Kellogg's ALL-BRAN is delicious with honey and milk or cream. Sold at all grocers.

Glasses seem to be necessary for some people. Jake says he can't drink out of a bottle any more.

Pretty soon we shall all be rushing after the plumber, I suppose.

A plumber is like a Scotsman, and then calling him names because he sends in his bill.

he is always likely to be the subject of a joke and usually he does not mind a joke on himself.

The civic elections are on and Jake says he's going to vote for the party that gives away free beer. Here's to Jake!
