POSSIBILITY OF OIL

The news that experts are visiting Queen Charlotte the first visit to Prince Rupert of ing. E. T. Kenney presided, and beautifying the district as well to the company's local station on Islands to investigate the oil possibilities again brings Mr. Robb, and, indeed, the first following routine business, H. as making it attractive for tour- business, sails by the Prince that section of the country to notice. At various times time in the last two or three years Halliwell made a comprehensive ists. This suggestion was heart- Charles this afternoon on his afternoon on his afternoon of the country to notice. there have been efforts made to drill for oil, but most of that a federal cabinet minister has and detailed account of the work ily approved by Will Robinson, return to Vancouver. the schemes have been purely for the purpose of pro- been in Prince Rupert. While it moting companies and bilking the people who subscribed is purely in the nature of a holito stock in the concerns. There is a very general opinion day, it is expected the occasion of held on the islands that there really is oil there and that his visit here will be suitably some day somebody will strike it rich. Should oil wells recognized. once be found productive, Queen Charlottes would become known to the ends of the earth and the place would tion with public affairs than an prosper beyond the wi'dest imagination.

TERRACE MUSIC PUPILS MAKE GOOD SHOWING

All Took Honors and Three Took First-Class Honors

TERRACE, July 11: - Miss 1 French, A.L.C.M., is receiving the merited congratulations of at the recent Toronto Conservatory of Music examinations. Of the six pupils writing, all took honors and three of them received first class honors, two of the other three being only two marks below first class honors.

Those taking first class honors are Janet Young, Annie Allan and Helen Smith .The honor pupils are Bertha Moore, Lilian Taper and Mary Smith.

The prizes referred by Miss French locally were won by Annie Allan for being the first one ready for the examination, and by Annie Allan and Helen Smith equally for the one obtaining the highest mark at the examination.

The results of the theory examination are not yet announced.
