Man in the Moon

Early to rise
And late to stop
Makes life just hades
And the person a flop.

When a skipper weds a widow he becomes just a second mate.

If you blow your horn, don't just toot but make such a noise that everyone will hear you.

Anybody who can enjoy a motorboat race can also enjoy a race to prove which will snore first when he goes to bed.

The only way some people can get a thrill is by enlarging on the gossip she hears.

The reason some wives do not understand their husbands is that it's hard to understand an idiot.

Some people do not believe in love just as the mole does not believe in light.

It's hard to get some children to work hard in school because so many of the successful men were failures during their scholastic days.

The first house in the city under the Soldiers' Housing Scheme is now under construction. It is being built by J. H. Kelly on Sixth Avenue near the Canadian Laundry.

Retail clerks will be guests of retail merchants at a picnic next Saturday at Digby Island.
