Broadcast For Benefit of Fans

CHICAGO, Ill., Jan. 22:-Television has place movies in the none within the realm of possib-

The first successful broadcasting of ordinary motion picture li.ms. not silhouettes, was done by WCFL, the Chicago Federation of Labor's station. Several listeners, with television reception apparatus, saw the movies on miniature screens.

So limitless are the possibilities of televising motion picture film, in the belief of Virgil A. Schoenberg, chief engineer of WFCL, that he hopes to broadcast movie films of President Hoover's inauguration in March, as well as football games and prizefights.

Within a few months, Echoenevents a few hours after they occur as he now sees them in his neighborhood theatre.

Talking movies by television may be a reality soon, coming as the next development from ex-FOR THE FANS periments which have brought movies into the home, Schoenberge believes.

DAILY MESSAGES FROM BYRD PARTY

THERE'S A SPLASH ... the placed waters of I the crystal pool take life as the pebble disappears. First a circle, then two, then six, then twelve, as if by magic the ripples race over the surface of the pool to its furthermost

The stone that stirred the pool to life was one of your dollar bills, the pool is British Columbia . . . B.C. with its industries and natural resources, you, me, and everyone. The ripples are beneficial disturbances set up by your dollar . . . all the elements of B.C. industry responding to replace that commodity purchased by your dollar.

What is the moral of the stone in the pool? Every dollar you spend for B.C. products helps sustain B.C. labour and all its dependent sources of production and distribution. Your own prosperity is dependent on your purchasing interest in those articles manufactured for you by your fellow men and women. Every man employed earns wages, spends wages, and keeps others employed. Demand the B.C. product! It is an expression of faith in your local industries and pride in the products of your Homeland.
