

PROMINENT CANADIAN FAMILIES UNITED BY MARRIAGE cent visitor in Burns Lake on min-

Two of the most prominent French-Canadian families in Canto have his eye on the developada were united when Madeline, daughter of L. H. Hebert, of ment of an area in the Babine dis-Montreal, and George, son of Sir George Ganeau, of Quebec, were trict, which has been ignored by Blick is president, has completed married last week. The above layout shows the charming bride and a good many mining interests in (inset) the bridegroom.

A FEW FACTS ABOUT PRINCE RUPERT

Prince Rupert is:

The terminus of the Canadian National Railway. The Central administrative point for the whole of central

and northern British Columbia.

The nearest point in British Columbia to the Orient. The centre of the halibut and salmon fishing business. The centre of an extensive mining and lumbering district.

Prince Rupert has:

One of the finest harbors in the world.

The largest fresh halibut business in the world. The largest fish cold storage plant in the world.

A large, strictly modern drydock and shipbuilding plant.

A grain elevator leased to the Alberta Wheat Pool with ca-

pacity of 1,250,000 bushels.

Fish reduction plant.

A large, modern ocean dock. A new modern lumber mill, planing and shingle mills and box factory with capacity output of 60,000 board feet daily

A new mill at Porpoise Harbor and another building alongside it seven miles from the city.

Railway shops employing about 75 men.

Several ship sheds for building and repairing small craft.

Provincial government district offices and court house. Dominion government fisheries, customs, and other offices

Marine department central station. Dominion government wireless station.

Canadian National district offices.

Dominion fisheries experimental station.

B. C. Packers district offices. Consolidated Mining & Smelting district assay office.

P. Burns Co., Ltd., modern abattoir.

Several docks and wharves used by coasting vessels.

Number of fish houses doing an export business.

About twenty salmon canneries in the neighborhood. Several fishery supply and shipchandlery establishments.

Several wholesale houses doing a large business in the dis-

trict.

Fine modern retail stores.

Good steamship services to Alaska and south to Vancouve, and Victoria and west to the Queca Charlotte Islands. Three large oil and gasoline distribution stations. Good hotels and restaurants.

Prince Rupert has:

Modern high school with first year university classes. Four public schools with over thirty teachers.

Seven churches representing the most important demonina-

tions. Paved streets and concrete sidewalks in the business section. Well kept gardens and pretty residences.

Number of clubs and fraternal organizations.

Prince Rupert has:

No severe cold in winter. No extreme heat in summer.

No mosquitos or other insect pests.

Great opportunities for boating, fishing and hunting. Fewer climatic or other disadvantages than most places in

Canada.

A harbor that never freezes.

A TEA PARTY

THE HOST (Rt. Hon. Winston Churchill, British Chancellor of the Exchequer, to Oliver Twist, Income Tax Payer): "Sorry I can not give you a third helping, Oliver-Have a cup of tea."

Having announced a complete remission of the tea duty and last week of four naval air mapother concessions, the Chancellor of the Exchequer, in submitting ping planes which landed in Tonhis Budget, reminded the Income Tax payer that he had received valuable relief in 1925 and again in 1928. He could, therefore, do over the steamer, flying in perfect nothing for him this time.
