## BEWARE OF DIETS WITHOUT BULK

Kellogg's ALL-BRAN Will Protect You

People are more careful than ever before about diet. They diet to clear complexions. They avoid certain foods to stay thin. They eat others to get fat. But many are running a serious danger because they are missing the "roughage" or "bulk" foods that every person must have to keep well.

As a result, constipation gets in its deadly work. Headaches, listlessness, circled eyes are only the first symptoms. In the end, constipation ruins health, wrecks beauty and may cause serious disease.

Don't neglect your daily roughage. That is nature's rule. Kellogg's ALL-BRAN will supply it. A healthful cereal to eat each day. To use in cooked dishes or to serve with milk or cream. To mix with other cereals.

ALL-BRAN is guaranteed to relieve constipation — to prevent it. Two tablespoonfuls daily-chronic cases, with every meal. It is 100% bran. Doctors recommend it. Your grocer sells it. Served by hotels, restaurants, dining cars. Made by Kellogg in London, Ontario.
