FELT MISERABLE ALL THE TIME

Headaches and Tiredness Ended by "FRUIT-A-TIVES"

Some people suffer for years with headaches, without ever trying to find out what is the CAUSE of the pain. They get all run-down, and seem to think this weak, depressed feeling is the result of the headaches. As a matter of fact, chronic headaches are the result of poisoned blood, due to faulty action of the bowels, kidneys and skin. "Fruit-a-tives" stops headaches because it regulates the bowels, kidneys and skin—frees the body of waste matter which poisons the blood—and thus keeps the blood pure and rich.

As Mrs. Michael Coulis of Killaloe, Ont., writes—"I used to feel tired out and run-down and had severe headaches. After using 'Fruit-a-tives' the headaches and tiredness quickly disappeared and for two years now I have been in the best of health." And you? Do you suffer? Mrs. Coulis shows you the way to get well—take "Fruit-a-tives," 25c. and 50c. a box—at dealers everywhere.

EARL SANDE WILL RIDE AGAIN

Earl Sande, famous jockey, misses the thrill of booting 'em home in front, so he has petitioned the Maryland racing commission to change its rules and allow him to ride his own mounts. Earl retired to become a mere owner of thoroughbreds. The above layout shows him, top, left, riding a winner, while below is a picture taken after a hard finish over a muddy course. On the right is Sande in his own riding silks.

STOCK MARKET KNOCKOUT BLOW

Ructions Created at New York Exchange by Federal Order and British Discount Raise

NEW YORK, Feb. 7.—Speculation for a market advance received a terrific jolt today when the market was confronted with a Federal Reserve Board warning against the active use of speculative credit and an advance of one percent in the Bank of England discount rate.

The price of most of the active issues broke from two to seven dollars but strong buying support developed by early afternoon and a few of the recoveries ran from \$3 to \$13 per share. Trading was in enormous volume.

The market again plunged downward, in later trading. Radio Corporation broke \$35 per share and Adams Express \$19.

GOVERNMENT ATTACKED BY OPPOSITION LEADER OVER THE ORDERS-IN-COUNCIL.

(continued from page 1)

made and in many instances with the force of the law itself, declared Mr. Pattullo, asserting, "we are going to find out whether the public business is to be conducted open and above board as pledged by the leader of the government, or whether it is to be carried on behind closed doors."

Mr. Uphill lent vigorous support to Mr. Pattullo, declaring the government's attitude savored of Klu Klux Klan methods.

Provincial Secretary Howe insisted that it was absurd to propose that the orders should be revealed to anyone who might wish to see them. He cited the Ottawa practice, where the orders remain the property of the cabinet and are disclosed only after consultation with the department concerned. All secrets of the government are given to the opposition leader under the seal of confidence and he declared that this course is was planned to continue.

AUDIT MADE B. C. FINANCES

Anticipated That Final Report Will Make Recommendation for Changes

VICTORIA, Feb. 7. — An interim report of an audit conducted by a firm of chartered accountants for the government was tabled in the legislature yesterday.

The report, which was incomplete, is to be followed later by a main report which will make, it is anticipated, a number of changes in the accounting system in certain particulars, so as to avoid duplication, which it is stated, occurred. At the present time there is no statement regarding the public debt, but the recommendation made in regard to the preparation of a balance sheet is that the Dominion of Canada capital account should not be shown as an asset. The account appears as \$14,776,000 and the item, in the opinion of the auditors, should be eliminated from the assets. The reasons advanced are that there has been no outlay of cash by the province in acquiring this amount and that there is no obligation on the part of the Dominion to pay more than the annual grant. It is not assignable as an asset and that grants are perpetual and that therefore it is not possible to estimate the capital value of it.

SAYS CHINESE OF VANCOUVER ARE DESTITUTE

W. W. B. McInnes Declares Gambling Joints Only Places They Have to Go

VANCOUVER, Feb. 7.—Hardship, cold and hunger stalked through Vancouver's Chinatown during the present wave of chilly weather it was revealed in the police court yesterday.

Eleven of the 23 Chinese charged with being inmates of a gaming house were allowed to go free by Magistrate Shaw yesterday when represented by their counsel, W. W. B. McInnes that they had sought shelter from the cold there. The others were fined. One witness declared that there were about 1000 Chinese almost destitute in the city.

"Times are hard in Chinatown," said Mr. McInnes. "Cold has caused intense suffering and the Chinamen have few places to go to escape it. Some of them are doubling up in bed. Since the gambling dens have been closed they have no means of obtaining shelter."
