

### A CRIPPLE FOR THREE YEARS

Helpless In Bed With Rheumatism Until He Took "FRUIT-A-LIVES".

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.  
"For over three years, I was confined to bed with rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure rheumatism, without receiving any benefit.

Finally, I decided to try "Fruit-a-lives". Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about the miles and do light chores about the place".

### STRAWBERRY MARKET IS NEAR THE END

Raspberries Not Coming in Very Fast—Black Currants Somewhat Delayed.

Fresh fruits will soon rise in price as the season advances. Strawberries are now fairly well over and the price for the present is about as low as it will go. A great deal depends now upon the shipments which arrive within the next few days. Should many more crates arrive it is possible that the price will lower somewhat, as the berries have to be sold almost immediately after their arrival in the local stores.

Raspberries are not coming in as rapidly as might be expected for this time of year, but larger shipments are expected shortly. The local raspberries are not ready yet and the black currants are hardly far enough advanced at Metlakatla to merit a visit. However, this last week's brilliant and warm sunshine will very probably have hastened them on somewhat. There is a slight reduction in price in black, white and red currants.

Honey dew melons are appearing in the fruit stands at 40 cts. each. The new green bunches of celery are selling at 25 cents per bunch.
