## 3rd of a Series DIARY-1752 Today, this excellent Gin is gaining favor everywhere, because it still retains that same original high quality. "Brother John sends a message that he hath called on many inns, taverns, and hostels at Bath, and he doth wax enthusiastic over the way the gentry have received our worthy product. This, he doth explain, is a true indication of the popularity and demand for Vickers' London Dry Gin." VICKERS FINEST LONDON ESTABLISHED BY JOSEPH & JOHN VICKERS & CO., L.L. LONDON 1750 ENGLAND

R. DANIEL R. HODGEN, an eminent physician, says that Beer is a valuable Food for Health, Strength and Vitality; because it is easily digested and assimilated. It nourishes and invigorates the system.

The use of Beer is to be encouraged, not only as an aid to digestion, because it tends to increase the flow of digestive fluids and because of its highly nourishing reaction without any deleterious effects upon the human system.

The undermentioned Beers are properly prepared. They are guaranteed to be absolutely pure. To safeguard the public they are constantly tested by Analytical Chemists employed by the B.C. Liquor Control Board.
