BALL GAME
IS WON BY
LOCAL NINE

Score of 12 to 4 in Favor of
Prince Rupert at Anyox
Yesterday.

In the baseball game yesterday afternoon Anyox started with such vigor that before Harry Day had really got down to pitching two runs had been brought in. When Rupert came to bat in the first inning every member of the team had a chance to bat and the score on their side piled up to five. As it had been decided to limit the game to seven innings on account of the time of departure of the boat, the game was fast from the very first. Dravis caught a good game for the visitors and held up Harry Day who did excellent pitching throughout. The home team battery, Cody and McDougall was rather weak and the pitcher had only two fanned out to his credit at the close of the game. Clementson played an errorless game for Prince Rupert and as fielder excelled himself as he hit to face the bright sun when making his catches. As clean up man on the batting list Clem was always sure and only was put out once on a long fly to centre field caught by Berto. He was top scorer for the visitors, bringing in three runs.

The play throughout was very good from the very outset it could be seen that Rupert had all the horseshoes for that day. There was a good turn out of fans and the large number of representatives from Rupert, who certainly appeared to know that they had come up there for the purpose. An insurrection very nearly arose when Ben Self, at the head of a gang, threatened to pull the players off the diamond unless water was obtained for the players. Mascot Douglas Frizzell arrived in time, however, with a large bucket of Adam's ale.

The runs by innings were:—
Innings . . . 4 2 3 4 5 6 7
Home team . . . 2 0 0 1 0 0 1—4
Visitors . . . 5 0 1 3 1 2 0—12
The visiting team did not take their bats in the last inning, as they were far enough ahead and Capt. McKenzie had already started back to the ship.

ALICE ARM

A staff of civil engineers arrived Thursday from Vancouver and left the following morning to carry out some work on the Dolly Varden properties.

Paul Billingsley of Butte, and Harry Townsend of Juneau, came in on the boat Thursday to look at some of the mineral claims.

E. George Taylor, of Vancouver, brother of A. J. T. Taylor of the Taylor Engineering Company, arrived Thursday.

Tom Shackleton, well known and popular prospector-miner-chef, has returned from Prince Rupert with a bride.

Mr. and Mrs. Butt are visitors from Anyox.

D. J. Hancock left on Thursday's boat for Vancouver.

The prospectors have taken full advantage of the fine weather conditions for the past two weeks. Many new leads are reported as having recently been uncovered. When the returns are all in this fall the final report will show a splendid advancement in the district.
