## We are Watching lots of People these days

You would hardly believe how our watch trade has grown and is growing. We have years of experience in buying and repairing watches. Every watch that we sell has got to prove up to what we promise for it. We are as much concerned as you are in the satisfactory service of the watches we sell. If you remember these things you will see that you take no risk in coming here for that new watch, especially when we sell at standard prices.

### ATTENTION FISHERMEN

The Hon. Mr. C. C. Ballantyne, Minister of Fisheries, will visit Prince Rupert about August 20th. Opinions of practical fishermen required on the following:—

- (1) Should canneries be open to all, or should they remain in the hands of a few?
- (2) Should the use of gas boats be permitted in District Number 2 for fishing salmon with gill nets?
- (3) Should trap and seine licenses, if permitted at all, be open to all British subjects?

Please advise by mail or call at 327 2nd Avenue.
