For no one need suffer from constipation. Kellogg's ALL-BRAN - a delicious cereal - is guaranteed to bring prompt relief. To safely prevent this evil ever beginning!

Why ALL-BRAN is necessary

To relieve constipation naturally, the system must get plenty of bulk or roughage. ALL-BRAN furnishes this bulk in generous quantity. Here is what happens: It absorbs moisture and carries it through the intestines - exercising them, gently sweeping out poisonous wastes. In a part-bran product

there is seldom enough bulk to properly do this work. That is why doctors recommend Kellogg's ALL-BRAN.

No need for pills

Howmuch better is ALL-BRAN than habit-forming drugs and laxatives-whose dose you must constantly increase to keep effective. ALL-BRAN works as nature intended. A pleasant cereal that provides vital roughage. Eat it with milk or cream. Add fruits or honey. Sprinkle it into soups. Mix it with other cereals. Cook with it. Recipes on package.

Just eat two tablespoonfuls in some form daily-chronic cases, with every meal. Every woman can help her family to better health by adopting its regular use.

But don't take chances with part-bran substitutes. Get Kellogg's - the original ALL-BRAN. Sold by all grocers. Served at hotels, restaurants—on diners. Made by Kellogg in London, Ontario.
