BALL TEAM MAY ARRANGE A BIG TOUR

Suggested Visit to Alberta and Vancouver with Way Points Included.

LOCAL NINE ARE NOW CHAMPIONS OF NORTH

It is expected that on Labor Day the local baseball team will visit Telkwa and try its skill against the ball nine at that place. If it can be arranged the nine will then go on tour and play games at Smithers, Prince George, Edmonton, Calgary, Vancouver and Ocean Falls. The matter is being taken up with the clubs concerned and if no hitch occurs this city will get one of the best bits of advertising it has received for some time past.

The members of the local ball team are naturally feeling rather pleased with themselves. They say that out of nine games they have lost only three and for that reason they consider themselves the champions of the country north of Vancouver. If any team disputes this they are open to give them the opportunity to prove it.

Prince Rupert people would all be pleased to have their crack nine touring to Alberta and the cities to the south. If they go they will certainly give a good account of themselves.

"ANNEXING BILL" IS INTERESTING FEATURE

Westholme Theatre Offerings to Be Repeated Tonight are Very Good.

A large number of people enjoyed the play "Annexing Bill," which was shown in picture at the Westholme Theatre last night and will be seen there again tonight. It is a comedy-drama featuring Gladys Huilette and is well worth seeing.

The colored scenes of Turkey along the Vardar River gives some intimate glimpses of the country that is so little known and yet which is so picturesque.

The third feature is the episode of "The Lightning Raider" with Pearl White as star.

GREAT FILMS AT EMPRESS THEATRE

One of the funniest things of the season is the bathing comedy featuring Fatty Arbuckle, which was shown at the Empress last night and will be repeated tonight. The diving stunts are very clever and Mabel Normand does some graceful curves in the air.

Priscilla Dean in "The Wildcat of Paris," is also first rate. This is a story of the underworld, of the apaches of Paris and th doings. Romance and history is combined in their organizing the people of the underworld in order to fight the Germans.

MANY BATHERS AT THE SALT LAKES

Last evening there were many swimmers at the Salt Lake. The water was fine and some of the bathers remained in for a long time. The two polo balls were out and although no teams were chosen, yet there was lots of fun in knocking them around.

There are still many complaints from the learners about the rocky bottom. The sand stretches only a short distance from the shore and a grown person has to walk out a long distance in order to get a sufficient depth of water. A few bad cuts were received last evening by some of the swimmers who were assisting the learners.

Mrs. Forbes
Makes Butter

She calls it Economy Butter, and it is well named, considering the quantity she gets, and the low cost of the extra butter.

To half a pound of butter add one SMALL tin of Pacific Milk, in which has been dissolved a small pinch of baking soda.

Whip 'till the butter has all been taken up and allow to set gradually in a cool place.

It makes almost a pound of butter—good butter, too.

Many will thank Mrs. Forbes for her kindness, as we do.

UNIVERSITY RETURNED SOLDIER STUDENTS

The University of British Columbia has provided rooms whereby those students in Applied Science who enlisted during their university course or during their matriculation year and have intentions of proceeding in the fall, may resume their studies during the summer months. This provision has been made at the suggestion of returned soldier students who are desirous of completing their studies, so that regular courses may be continued without undue difficulty.
