Peace River Is Subject Discussed By Terrace Board

Letters of Thanks to Be Sent Acknowledging Hospitality to Delegates

TERRACE, Oct. 11.—The quarterly meeting of the Terrace Board of Trade was held on Tuesday evening in the lower G.W.V.A. hall to hear the reports of the Peace River delegates. E. T. Kenney presided. J. K. Gordon gave a good general description of the general features of the country covered and incidentally claimed that the section of the country from Prince Rupert to Hazelton offered more difficulties in road building than any other part covered. He claimed that the Prince Rupert delegation while small in numbers were a force which could not be overlooked, and he was confident that much good would result from their efforts. The development of the Peace River district was bound to have a good effect on our own district by creating a market for our produce and he claimed he had no fears of there not eventually being an outlet from the Peace through the north.

Mr. Kenny also presented a splendid report of both the trip and the convention which followed. He likened the conference to a business parliament and claimed that much good was bound to result from the meeting of representatives of capital and labor, professions and tradesmen, manufacturer and producer, east and west, and repudiated a statement published by a coast paper that it was in reality a political gathering.

Mr. Kenny claimed accommodation at Jasper was already overtaxed and he felt the time was ripe for a movement to be started to have the C.N.R. take over the Lakelse hot springs and start development there to accommodate the overflow from Jasper. He recommended that the Board of Trade interest themselves in this project.

Both delegates paid high tribute to the hospitality extended, particularly to the Prince Rupert delegation, by A. E. Warren, vice-president of the C.N.R., and it was decided to have the secretary write him, as well as George McNicholl, general passenger agent, Mr. Payne, secretary of the Vancouver Board of Trade, and the secretary of the Peace River Board of Trade, thanking them for their hospitality and for the consideration and concern shown on behalf of the local delegation. A letter of appreciation was ordered sent the Prince Rupert Board of Trade for making

No suspicion

One of the great advantages of baking your own cakes, biscuits, etc., is that you are in full control of everything used. And you won't use anything but the most wholesome ingredients. No suspicion to take the edge off enjoyment!

MAGIC BAKING POWDER

More sold in Canada than of all other brands combined.

it possible for the local delegates to attend.

George Little, the other member of the local delegation, was not present at the meeting.

A vote of thanks was passed to the speakers, after which refreshments were served and an impromptu program was enjoyed. Following what was described as a real Peace River night. It was agreed to plan on making the next quarterly meeting a Terrace night.

REMO

Mrs. Harry King was the guest of Mrs. P. Murphy on Friday and Saturday.

The first snow of the season appeared on the mountain tops on Saturday, which is about two weeks later than usual.

A. Y. Wilson returned from Prince Rupert on Saturday.

District News

STEWART

The Crawford Transfer Co. is now engaged in the construction of a solid cement and concrete garage on the south side of Fourth Street between Columbia and Victoria Streets. The structure will be 60 feet long and 30 feet wide.

Dan McIntominey of Anyox was a recent visitor here, carrying out work on his Boundary group of claims adjoining the Big Missouri in the Salmon River section.

The Power Corporation of Canada is to carry out water power investigations throughout the winter in the vicinity of Meziaden Lake on the Naas divide.

Rev. James Dewar of Anyox held United Church services in the Canadian Legion Hall here on Sunday. He was accompanied on his visit to Stewart by Mrs. Dewar.

S. A. McPherson of Anyox has arrived here and intends to give a song recital in the near future.

The Stewart Citizens' Association has elected officers for the year as follows: president, W. R. Tooth; vice-president, D. J. McLean; secretary treasurer, H. G. Marvin; executive, H. P. Gibson, George A. Cameron, G. W. Smith, George Mathieson and Miss Kate Ryan.

George Bath left last week on a trip to Prince Rupert.

Harry Townsend, consulting engineer for the Mountain Boy property, is back after a trip to the Babine country.

R. Dalby Morkill left last week for his home in Vancouver, after having spent two weeks here with his son, D. B. Morkill B.C.L.S.

ALICE ARM

Dr. J. T. Mandy, resident mining engineer, Prince Rupert, spent several days recently inspecting mining properties in the district. He arrived last Thursday and left again on Monday.

Nell Forbes and J. Flynn, who recently staked gold claims on Hastings Arm, spent a few days in town last week.

Another well known local building has been moved to conform with the lot and street plan of the townsite. Mrs. Helen Muech has moved her house off the street to her lot which is partly occupied by the Anglican Church.

NEW HAZELTON

The Hazelton Badminton Club has been reorganized with officers as follows: president, S. Kincaid; vice-president, Mrs. Hazelton; secretary, J. Smith; executive committee, Mrs. Anderson, Miss Sutherland, S. J. Winsby and George Cooper. The club will play each Monday and Tuesday night.

Mrs. William Grant returned to Hazelton at the first of the week, after a visit in Smithers.

Miss Emma Lutz and Lon Belmont, both of New Hazelton, were united in marriage last Friday by Dr. H. C. Wrinch.

The first large flock of wild geese to go south was noticed here at the first of this week.

Hon. Nels Loughed, minister of public works, visiting here last week, stated that about October 15 a decision might be expected in the matter of the site for the new bridge across the Bulkley River to replace the old high level

span at Hagwilget. The minister stated that the road from New Hazelton, part of the provincial highway, would be rebuilt next season. Mr. Loughed referred to Hazelton as the hub of the road system of the north. It was proposed to build hard surface roads as far as possible, he said.

Mrs. John Newick returned home last week after having spent a holiday in the south.

W. J. Larkworthy is a patient in the Hazelton Hospital suffering from an injury sustained to his ankle in a fall, last Sunday.

SMITHERS

The Smithers District Board of Trade hopes to have a landing field for airplanes established here by next summer. A site has already been partially prepared.

Owing to early arrival of winter conditions, the Consolidated Mining & Smelting Co. has discontinued work on the Emerald group in the Sibola district for the winter. Work will be resumed next spring.

William J. Bonavia of Victoria, superintendent of Farmers' Institutes for British Columbia, addressed the Telkwa Farmers' Institute on Tuesday night. President J. G. Donaldson was in the chair and there were 65 present.

The Native Sons of Canada have decided to sponsor the establishment of a town band here and a committee consisting of A. C. Fowler, H. G. Windt and L. H. Kenney now has the matter in hand.

C. I. Dimock, municipal clerk and treasurer, leaves this week-end for Harrison Hot Springs where he will represent Smithers at the convention of the Union of B.C. Municipalities.

A committee from the local board of trade, consisting of S. Mathews, H. F. Noel, H. M. Mathews and L. B. Warner interviewed Hon. N. S. Loughed, minister of public works here last Friday night in regard to the road situation in the district. Among requests made was one that gravel surfaces be put on the roads east of Smithers.

TERRACE

Special semi-annual Rebekah services were conducted in the United Church on Sunday evening and were attended by a large gathering of the Rebekahs and their brother I.O.O.F. members.

Dr. Leonard Wrinch of Hazelton, spent several days in town this week as the guest of Rev. A. W. Robinson.

Mrs. W. T. Sims of Smithers, formerly of Terrace, was a visitor in town during the week returning to the interior on Wednesday.

Oscar Olander and S. C. Fredrick were in from Kalum Lake at the beginning of the week.

The Home Oil Co. is establishing a yard here, with F. C. Bishop as the local agent in charge.

Miss Ruby Llewellyn left on Tuesday for Prince Rupert where she is taking a position.

You'll like the Easy-Riding Comfort of the Ford Car

THE Ford car is one of the easiest-riding cars on the road because of its low centre of gravity, minimum unsprung weight, Houdaille hydraulic shock absorbers and the unique construction of its transverse springs.

Furthermore, you are as comfortable in mind as in body when you drive the Ford car. You have confidence in the performance of the car because you know something

of the quality that has been built into it.

Remember these two points when you select your next car. These are combined to an uncommon degree in the Ford.

Come in and drive a Ford car yourself through thickest traffic, up steepest hills, over roughest roads. A thirty-minute demonstration will convince you that there is nothing quite like it anywhere in simplicity of design, quality, price and performance.
