"Can't fool me, Mom it's Clark's Pea Soup!"

MOM is certainly some cook. Been cooking for our family for IVI twenty years (so Pop says). But when it comes to soup . . . CLARK'S SOUP! . . . she says she couldn't make such good soup no matter how she tried (and, if you knew my Mom that's some compliment).

"Miss Crabbe (she's my teacher) says that there is nothing worse than being late for school . . . well! I wouldn't mind missing school, but gee! I'd hate to miss a plate of this Clark's Pea Soup!"

Here is a soup to satisfy a real husky child's appetite. A pure wholesome food . . . made from big, garden-grown peas . . . seasoned to a nicety . . . no adulterants added. Such delicious soup as this could be the only result.
