

LUX and Your Sweater

There is a delightful way of washing it—so easy you can do it yourself—so pure that your sweater may be washed again and again and each time look like new.

It is with the rich creamy lather that the wonderful LUX flakes make. No rubbing or twisting necessary, just dipping and rinsing. So pure is LUX that it has the uttermost cleansing power. So gentle that it harms nothing that pure water itself may touch. There is no substitute for LUX.

LUX is sold at grocers, departmental stores, etc

LABOR DAY SPORTS ARE ARRANGED

Good Program Morning and Afternoon Followed by Dance In the Evening.

Full arrangements have, now been made for the sports to be held on Labor Day under the auspices of the local Trades and Labor Council. There is going to be a grand revival of the old time sport day and many open events are on the calendar. Committees in charge are working hard to make the celebration a success and with favorable weather it will be a great time for all.

The chief item of interest will be the waterfront sports in the morning which are being looked after by the Meagher brothers, who made the fishermen's races such a success last year. There will be dory races, gear setting contests, trolling boat races and other interesting features. Open races are promised for canoe and rowboats and many enthusiasts have already signified their intention of entering. It is very probable that a handicap race for the mosquito fleet will be staged. Some of the launch owners are very proud of what their boats can do and this will be a grand opportunity of displaying it while under the gaze of the interested public.

A very large and efficient committee is in charge of the afternoon sports which will follow along the regular lines with a few novelty races introduced to cause a little merriment. Those in charge are: W. E. Thompson, Harry Weber, S. D. Macdonald, Cyril Westaway, J. McKenzie, J. S. Pudney, A. Ellis, A. H. Allison, S. Massey, J. H. Meagher, R. O. Miller, F. Grimble, J. R. Beatty and Geo. Waddell.

The advertising committee consists of S. D. Macdonald and R. O. Miller.

The finances for the day will be attended to by J. R. Beatty, Geo. Waddell and A. H. Allison.

To close the day in true style a big dance will be given at the Rink in the evening.

ALICE BRADY SHOWN IN "THE BETTER HALF"

Complicated Story of Love and Adventure in Which Twin Sisters are Featured.

One of the most interesting pictures in which Alice Brady has ever been seen is her latest Select Picture, "The Better Half," which comes to the Westholme Theatre tonight.

The story is one of twin sisters who are brought up by their uncle in company with their adopted cousin, Michael Thwaite. After Michael has completed his college course he marries Trixie, while the other twin sister, Louise, enters a hospital to take up the study of nursing. Trixie is the gay butterfly type who soon tires of Michael and runs away with Hendrick Thurston, a rich idler and libertine. While Michael is on his way to the hospital to talk things over with Louise, he is set upon by thugs and beaten. He is found unconscious in the street and taken to the same hospital where Louise is nursing, where it is discovered that an operation is necessary to save his sight. Complications ensue.

BLACK CURRANTS FROM METLAKATLA

There were a large number of people at Metlakatla yesterday afternoon taking advantage of the opportunity of picking black currants and raspberries which are now in fine condition. Many went over with the impression that the berries could be picked free of charge, but they were very quickly disillusioned when they were told the contrary by those in authority. The customary method is for the pickers to pay so much an hour and go after the berries themselves.

Sometimes pickers are hired by those who cannot pick themselves but in either case the conditions are the same. In the evening two ladies were left on the beach and they were very much afraid that they would have to remain there all night as the boats had already all the passengers they could carry. However, a launch returned for them late in the evening.

FOOTBALL AT HILL TONIGHT

First League Game of Season Between Sons of England and St. Andrew's.

Tonight the first match in the football league will be played off on the Acropolis Hill grounds between the St. Andrew's Society and the Sons of England. There is great discussion about town as to the probable outcome of the match as both teams have been strengthened considerably. It is the opening game and both parties are working hard to get the prestige for the rest of the league. When the Trail Club plays for the first time on Monday night a new eleven will be heard from and the three-cornered combination ought to prove a great drawing card to all fandom. Supporters for both teams are going to be on the grounds tonight in good time to see the playoff which takes place at 7:15.

The St. Andrew's team for tonight is as follows: Goal, W. Martin; backs, Williscroft and McGregor; half backs, Mitchell, Bennett and Murray; forwards, Smith, McMichael, Ross, Hunter, and Black. Referee, S. J. Winsby.

Last night after a delightful trip around the harbor and an inspection of the cold storage, Mrs. Kergin, Sr., gave a midnight supper in honor of Miss McArthur who is visiting in the city for a week. Miss McArthur who is demonstrator to nurses in the Vancouver General Hospital is enjoying her stay in the north very much.
