## EDITH STOREY AS DANCE HALL GIRL

"The Claim," the Metro All-Star Series picture, starring Edith Storey, which is the screen attraction at the Empress Theatre tonight, gives the talented star much opportunity to show her wonderful versatility as an actress.

As Belle Jones, the Western dance hall girl, Miss Storey is cast in the type of role in which she first endeared herself to the public as a motion picture star of the first rank. In horseback riding, the Metro star can "meet all comers" without fear, for she is as fearless as she is expert. As the dancehall girl she has to sing and dance for the entertainment of the guests of the rough frontier hotel. Her singing voice is very pleasing and she never lacks a partner at a dance.

## HAG'S OPINION OF SALVATION ARMY

Sir Douglas Haig says:—"The Salvation Army workers have shown themselves to be of the right sort and I value their presence here as being one of the best influences on the moral and spiritual welfare of the troops at the bases. The inestimable value of these influences is realized when the morale of the troops is afterwards put to the test at the front.

"The huts which the Salvation Army has staffed have, besides, been an addition to the comfort of the soldiers which has been greatly appreciated."

## Sport

It is very probable that there will be a football team here from Anxoy on Labor Day. During the recent excursion some of the local men had the time to see Abe Kinghorn who was formerly with the St. Andrew's team in this city. He felt quite confident that they would be able to bring a squad down for the celebration.

Fred Gilbert, a well known professional shooter of Spirit Lake, Ohio, has broken the world's record for continuous target breaking at Hampton, Ohio, according to word which was received here a few days ago. Gilbert cracked 589 V targets without a miss.

The Tiny Tims can do other things besides play ball. They have organized a dance which is to be given on Thursday evening in the St. Andrew's Hall.

There is great rivalry between Telkwa and Smithers in the baseball series which is being played off there just now. Nearly everyone in the district turns out to the games and they are always favored with the very best brand of ball. In the game before the last, both teams scored 3, but with Sunday's game the score now stands 4 to 3. These practise games held so regularly will keep the interior players in fine shape for matches with Prince Rupert in the near future.

A purse of \$15,000 has been offered by the Newark Sporting Club for an eight round no decision bout between Johnny Kilbane, featherweight champion, and Banny Valgar, the French champion, who has been Kilbane's most persistent challenger. The bout will take place Labor Day with two thirds of the purse going to Kilbane.

In the efforts of Queens' University to bring about a revival of intercollegiate sports on a scale not hitherto attempted, the co-eds will not be overlooked. On the other hand, Queens' proposes to suggest to the Intercollegiate Athletic Association that provision be made for competition between teams of lady students in as many of the major sports as may be deemed advisable. Miss Ruth Clark, a graduate of Chelsea College, England, has been engaged to act as physical director and coach to the co-eds during the coming session. Tennis, swimming, basketball, hockey, gymnastics and track and field athletics are among the branches of sport proposed for the fair students.

There were three empty express refrigerator cars on last evening's train from the east.

## Mrs. Forbes Makes Butter

She calls it Economy Butter, and it is well named, considering the quantity she gets, and the low cost of the extra butter.

To half a pound of butter add one SMALL tin of Pacific Milk, in which has been dissolved a small pinch of baking soda.

Whip 'till the butter has all been taken up and allow to set gradually in a cool place.

It makes almost a pound of butter—good butter, too.

Many will thank Mrs. Forbes for her kindness, as we do.
