Resolutions Passed by Associated Boards at Sessions in the City

Number of Subjects Dealt With but Most of Discussion Was Regard to Land Settlement and P. G. E. Extension

Eleven out of twelve resolutions presented by the resolutions committee to the convention of the Associated Boards of Trade of Central British Columbia at their convention yesterday were passed, some without discussion and others after considerable debate. The one withheld was introduced by the Prince George board and called for the completion of the P. G. E. to Prince George and its extension into the Peace River country. It was referred back to the resolutions committee for redrafting when it was found that opposition to it was developing.
