Sport Chat

The Fair Board is planning an adequate program for the celebration of Victoria Day in Prince Rupert tomorrow. The children's races should draw the usual number of young people to the Acropolis Hill grounds. The outstanding event of the day will be the opening of the baseball season with a double-header, Native Sons of Canada and Elks meeting in the first game with the winners playing the Gyro Club in the second. The Gilhuly Cup football game between Regiment and Thistles should also prove interesting. It will be the second meeting of these two teams and the soldiers are reported to have strengthened their line-up since the first game when they were rather badly vanquished by the Scots.

An Anyox baseball team will journey tomorrow to Alice Arm to try conclusions with the diamond men further up Observatory Inlet. While league baseball activities for the season have not yet started in the smelter town, a team is being mustered for this trip to help Alice Arm stage its usual Victoria Day celebration. There has been some difficulty in getting baseball going at Anyox this year but it is hoped that a start will soon be made.

COMPETITION ENDS THIS WEEK

The suggestions for improving conditions in northern and central British Columbia have mostly been along one line. The building of a highway and the formation of a new province. While some valuable suggestions have been made, the last word has not been said and there is still plenty of room for others.

The competition will end definitely on Saturday of this week, after which the articles will be judged.

BORDEN BEATS BOOTH SCHOOL

Junior Football Game Last Night Ended in Score of Two to Nil

The meeting of Borden and Booth Schools in the Junior Football League last evening resulted in a win for Borden by two goals to nil after a hard fought game.

Borden started with ten men and, before the teams had settled down, A. Woodcock made the most of an opening and scored with a fine cross drive. Exchanges were then even with Booth having the better but finding Borden defence very safe. Vaccher and Nakamoto staved off defeat and Booth was unable to score. Walters made a spectacular run to finish with a drive from six yards that crashed against the bar and off-side saved Borden. Lawrence ran out once to pick up a loose shot but there was no further score at half time.

The second half was equally strenuously fought. Borden pressed at the start and Smith forced a corner that was cleared with difficulty. Booth was trying hard but it was Borden which scored when Fong sent in a high lob that swung in for the second counter. Wingham, Walters and Daly made headway but Vaccher cleared. Colussi narrowly missed but Booth was unable to score and Borden ran out the winner by two clear goals.

Teams were:

Booth—Lawrence; Cross, Nelson; Greer, Colussi, Bartlett; Walters, Tobey, Daly, J. Murray, Wingham.

Borden—Kanaya; Vaccher, Katsuyama; Lehto, Nakamoto, Hardy; Smith, Morgan, Fong, A. Woodcock, Erickson.

Jack Campbell refereed.

From the spectator's viewpoint Borden had the more aggressive team, Vaccher was fast and sure. Katsuyama was reliable and kicked well. Nakamoto dominated play in the centre of the field and was well backed by Hardy. Fong was the pick of the forwards, always boring in. Erickson made a good showing at outside left. Woodcock plays good football and Smith is an improving player.

Lawrence did what little he had to do well. Cross was the safer back Colussi played clever football all through and made a splendid shot in the second half. Bartlett and Greer are improving. Walters should have scored when he went through in the first half. Daly made a promising centre. Wingham was always dangerous but got little support from Murray who was slow and out of position. Tobey also was out of position but is doing better.

The standing of the teams so far is as follows:

	W	L	D	P
High	4	2	1	9
Borden	2	4	1	5
Booth	2	6	0	4

This was followed by the Grand March, headed by Mrs. McKinley and Mr. Irvine, which led the other participants to the beautifully decorated banquet hall. There was an address by Mrs. Priest. After a very hearty "feed" they repaired to the dance hall where dancing was enjoyed. Mr. Phillips was M.C.

The committee in charge of the affair consisted of Mrs. Priest, convener, Miss Earle, Mrs. Wilkinson, Mrs. Irvine and Mrs. Cox.

Always!—in the pocket of my car

"When you are driving a car these days—it's a question of eyes front!" said a friend of mine recently. "That's why I smoke cigars when driving. You light up and smoke. I like a pipe and I smoke cigarettes too—but these take more attention than a cigar. I buy a pocket pack of 5 Marguerites—foil wrapped, factory-fresh—I drop it in the pocket of my car. I always have a cigar handy and do you know," he concluded, "the old bus seems to run smoother when you're smoking a Marguerite."
