LEADS THE WAY FOR CANADA IN FIVE GAITED SADDLE HORSES

These five-gaited Kentucky saddle horses have been imported to New Brunswick by Mr. Angus

McLean of Bathurst, N.B., and will be shown for the first time in Canada at the Maritime Winter

Fair, Amherst, N.S., and the Royal Agricultural Winter Fair at Toronto. This breed traces its origin

on one side to the family of Morgan Canadian pacers and on the other side to a thorough-bre

running horse named Lexington. The animals are admirably suited to saddle purposes and man

have been trained to five distinct gaits: (1) Walk; (2) Trot; (3) Canter; (4) Rock; and (5) For
