Japanese Attend

seems to be in Japan, for a party treating object in the sky traveled all the way across the Pa-long trek homeward with cific to attend the world series in hands in his pockets in order to scandal, is Chicago and Philadelphia.

Japanese interest in the world down. series had been fostered by the foreign news service in the vernacular newspapers. The party left Yokohama on September 13 and planned to return to Japan early in November. About twenty-seven days out of sixty-five abroad are being spent attending baseball games and visiting United States cities.

Sport Chat

The more one engages in retrospect over the 1929 World's Series, the more one is forced to believe that Connie Mack's Philadelphia Athletics were by far team. If ever baseball generalship owing to carelessness somewhere ests include a comparative study it was this year by that grand read: he sent old Harold Ehmke in there for a single. Grimm fanned on the erage of terminal unload samples at Chicago last Tuesday to win call of third strike. Taylor flied and the analyses of some 1,200 the first game and in so doing, out to Miller in short. No runs, samples representative of all the set up a new World's Series' record one hit, no errors. of 13 strike-outs, there were few observers, no matter how their sympathies may have lain, who Little Dorrit's TALIOIV was to be, although, at that, many surprising things happened in the time intervening before the Mackmen copped yesterday. Now baseball experts will say that Mack's new machine should be good for Historic London Edifice is Crackseveral world's championships to come. And that is what to the ordinary observer seems in store. It is many years now since a Na- rit's Church"-St. George tional League team has won a Martyr-Southwark, which Charles World's Series.
