will be manned."

This Is General Opinion in London, Following Announcement of Premier's Trip to Washington; Will Strengthen Labor

LONDON, Sept. 13.—The impending visit of Premier Ramsay Macdonald to the United States is taken genera'ly today as signifying that the London and Washington governments are very near to an accord on the matter of limitation of nava! armament. His visit is expected to be short, possibly a week or more if he can spare the time.

When parliament reconvenes at the end of October Premier Macdonald, with a naval reduction agreement to his credit, would be immeasurably

stronger with the house of com-MANDATE TO mons than at any time since the inception of his government in June. BE RETAINED the premier's friends believe.

British Government Will Adhere To Balfour Declaration in Palestine

LONDON, England, Sept. 13. Lord Passfield, secretary for the colonies, informed a deputation of in principle had been previously Jews that there would be no question of the British government giving up the mandate for Palestine or departing from the policy embodied in the Balfour declaration of establishing in Paletsine a national home for Jewish people.

ald had reached a point, Secre-Appeal Dismissed

Against Peter Bruno Thrown Out of County Court; Dahlberg Case Stands

Because the appeal papers were made out for hearing on Tuesday, September 3, the day following Labor Day, instead of Monday, September 9, the first Monday after Labor Day, when the regular monthly session of county court was actually held, Judge Young, in county court today, dismissed the appeal of the crown against Peter Bruno, who was dismissed by Magistrate McClymont in police court some time ago on a charge of keeping liquor for sale. Milton Gonzales acted for Bruno, and W. E. Fisher for the crown.

Date will be set later in another similar appeal—Rex vs. Dahlberg.

DLI ITLI RECORD

Squadron Leader Orlebar Flies 357.7 Miles Per Hour

CALSHOT, Sept. 13.—The world's speed record was raised yesterday to 357.7 miles an by Squadron Leader Orlebar of the British Schneider cup team. This is 1.9 miles faster than he flew when he set the record on Tuesday. It was hours before it could be determined the new record set, as it took rechecking and calculations to establish the fact.

Britain Wins Speed Race

Great Britain. France and Italy raced over this 218-mile course or the coveted Schneider Cup, emblematic of the world's speed championship. Great Britain won the trophy last year with the then wonderful speed of some 280 miles per hour. And Great Britain retained it this year with the more wonderful average speed of 328 miles per hour. Above, left, is one of the S6 planes going down CALGARY, Sept. 13:-Canada the slipway on the Solent for the great race, which was watched as the hub of the world, bound by over a million people. Below is the map of the course, showing by its location on the globe to be the dangerous turning points.
