TVERY year you spend a large proportion of the money you get. So much for clothing. So much for shoes. So much for things to eat-for house furnishings, books and what not. medinioners of doubled an appendix

Here is the way to get the most for your money.

CONTRACTOR OF THE DOWN OF THE STREET

Keep a budget. Decide what you can afford to spend for each item, and hold yourself within this amount.

Then-to get the most for your budget money read advertisements carefully. The advertisements you read tell you what is newest and best. They give you the latest ideas and improvements. They help you to get more from each dollar you have apportioned in your budget-and so live better and dress better with the same income.
