THIS STARTED A \$9,000,000 SUIT

This is a spectacular scene that confronted news camermen just after the Black Tom (N.J.) munitions blast of 1916, a rolling thunder of detonations that ble v scores of millions in war mat-George-He doesn't need his erial into the air and brought death to many workers. Now on beh If of the Lehigh Valley Railroad, linner, mother; he's just eaten the United States is suing the German Government for damages of \$9,000,000, it being held that the blast was the work of a trio of German spies.

Widows and Orphans, Limited

IT is upon them that the schemer preys! The lure of easy money is almost irresistible and the savings of a lifetime are often gambled away, unknowingly, in unfortunate speculations.

Even the husband and father, anxious to leave his family well provided for, often becomes the victim of some get-rich-quick scheme. Almost without exception, the results are failure and disappointment.

When the head of the home is taken away, a hundred enticing baits are set for the estate he leaves behind. With the vision of winning financial independence for her children and herself, the widow falls prey to ignorant or unscrupulous advisers.

There is one safe, sure method of protecting your loved ones after you are gone . . . the creating of an adequate estate through Life Insurance. And, by arranging for its payment in the form of a regular income for your widow, you can guard her for as long as she may live.

Let a Life Insurance representative explain to you how easily and safely you may provide for the future of your family.

The destroyer of the
