

PRINCE LOUIS TOURS BRAZIL

People Excited at What They Fear is Attempt to Restore Monarchy.

Rio de Janeiro, August 16.—Prince Louis, a grandson of the former emperor, Don Pedro II of Brazil, returned after travelling incognito in the southern part of the state of Rio Grand do Sul.

As a decree of banishment still exists against Brazilian royalty, the news created great excitement among the people who feared that an attempt was to be made to restore the monarchy.

Sport

Experts who have been in America from England lately state that Sir Thomas Lipton's cup challenger, Shamrock IV, is in excellent condition. She has kept very well indeed during the four years and a half of war, and her chances of success are thought to be at any rate as good as they were on the day she left Spithead, now nearly five years ago.

It is said that Barney Stanley, having been reinstated as an amateur, will remain in Edmonton this winter and play on a local amateur team there. With Barney to handle the amateur hockey team, Edmonton should stand a very good chance in the way of cleaning up everything in the way of hockey teams around western Canada.

A team match between the Australian tennis players now visiting America and representatives of the United States Lawn Tennis Association will be played at Forest Hills, N.Y., September 5 and 6, the association has announced. As the United States will not be represented in the Davis Cup matches this year, the match has been arranged to give tennis enthusiasts an opportunity to gauge the relative strength of the players. The personnel of the American team has not yet been decided.

Great Falls and Butte are to have professional baseball as members of an international class baseball league to include Lethbridge, Calgary and Edmonton, if the plans of Nick Williams, Cliff Blankenship and Herb Hester materialize. Herb Hester was recently in Great Falls conferring with those interested there as to the possibility of forming the proposed league.

There is considerable discussion about the streets in regard to the recent football game between the Sons of England and the St. Andrew's Society. The interference of spectators has been the cause of much strife among the players and true it is that a man cannot do justice to himself or his team if there are numbers of harsh-tongued voices in the vicinity berating him for his style of playing. It would be better sportsmanship if the fans were to shout words of encouragement to their favorite team rather than to utter cutting and mean taunts at those whose playing they do not like.

At the game of baseball at the Market Place last evening between the Cadets and the Nifty Nine the former were victorious by a score of 9 to 8. The playing throughout was excellent and at the end of the ninth the score stood a tie. The Cadets were successful in getting the next point which gave them the game. One of the sensational features of the match was when "Doc" Shaw made a flying leap over George Mitchell in an attempt to reach the ball. Eddie Clapp won praise for himself last night by knocking a home run. A large crowd of fans viewed the game.

Now, at the conclusion of an extremely interesting and pleasant visit, may we not express entire satisfaction with the weather supplied us, and deep admiration of the beautiful scenery, particularly the snow-capped mountains. Yours very truly,
ANNA NEYMARK,

Mrs. Forbes Makes Butter

She calls it Economy Butter, and it is well named, considering the quantity she gets, and the low cost of the extra butter. To half a pound of butter add one SMALL tin of Pacific Milk, in which has been dissolved a small pinch of baking soda. Whip 'till the butter has all been taken up and allow to set gradually in a cool place. It makes almost a pound of butter—good butter, too. Many will thank Mrs. Forbes for her kindness, as we do.
