

More than Half Prince Rupert's Early Pioneers are Now Removed but Many Yet Remain on Job

Departure or death has removed since 1914 more than half of the pioneers of Prince Rupert who were registered that year by picture or biography in the ambitious record of early residents which was published that year under the auspices of the Prince Rupert Pioneers' Association and copies of which are now much prized by their possessors. Of the 210 or so persons recorded in that volume, at least 34 are now dead, ninety have gone away, and many have been lost track of, some no doubt being dead, while

Automotive Supplies

In our Automotive Departments we carry large and varied stocks of supplies, replacement parts and garage equipment. Garages, Repair Shops and owners of Bus and Truck fleets are assured of an excellent service in parts and supplies, such as Spark Plugs, Chains, Fire Extinguishers, Wrench Sets, Brake Linings, Pistons, Rings, Pins and Bearings, Ignition and Battery Cable, Gaskets, Carburetors, Alemite Fittings, etc., as well as complete equipment for repairs and maintenance, including Cranes, Tire Changers, Presses, Spraying Outfits, Hoists, Test Stands, Air Compressors, etc.

Transmission Equipment

To ensure the steady and economical flow of power from drive to machine, proper shafting, hangers, bearings, pulleys and belts are essential, and here you will find Graton & Knight Leather and Dick's Balata Belting, Fairbanks Wood Pulleys, Barry Steel Split Pulleys, Hyatt Roller Bearings, as well as all the numerous appliances necessary for the transmission of power.

Contractors and Railway Supplies

Concrete mixers and carts, wheelbarrows, hoists, shovels, brick and concrete block machines, rock crushers, tools and supplies for contractors, as well as a wide range of railway yard and shop equipment such as jacks, hand, push and motor cars, trucks of many sorts, stand pipes, car movers, etc.

F-M. Factory and Warehouse Trucks

For practically every trucking purpose you can obtain a Fairbanks-Morse Truck, of steel or wood, with iron, fibre or rubber tired wheels, either from our large stocks, or built to order for special service. They are sturdy to stand rough work, and yet are easy to handle and easy on floors. Hospital equipment, casters and replacement parts carried in stock.

Yale Hoists and Trucks

For practically every job of lifting and moving material—raw, in process or completed—there's a Yale Unit that will do the work quickly, easily and safely. There are many Yale Hoists both hand and electric powered, Yale overhead trolleys carry big loads quietly and easily, and Yale Electric Trucks and Trailers are quick to transfer material. Yale margins of safety are unusual, and Yale controls are simple, safe and easy to operate. Let us study your material moving problems—in many cases our engineers have made real savings with Yale equipment.

In our thirteen branches you will find stocks of mechanical equipment and shop supplies that for variety and quantity are unequalled in Canada. Aside from the many lines made by us, we have been selected to represent many of the world's outstanding makers of machine tools, machinery, equipment and supplies. Our general catalogue shows clearly how wide a service we provide for Canadian industry. A copy will be mailed without charge.

MIGRATION OF LOYALISTS COMMEMORATED BY CANADIAN MONUMENT

The above notable monument intended to commemorate those United Empire Loyalists who renounced their British citizenship and braved the trek to Canada in the early days, has just arrived at Montreal enroute to Hamilton, Ont., where it will be unveiled by King George by an electric current from the Old Country. The monument, the figures of which are eight feet high, is the work of the seven famous March brothers in Kent, Eng., who are at present engaged in finishing the gigantic Canadian National War Memorial which will be erected on Parliament Hill, Ottawa.
