

NO MORE NERVOUS HEADACHES

Since She Tried "FRUIT-A-TIVES", The Famous Fruit Medicine.

MISS ANNIE WARD

112 Hazen St., St. John, N.B.
 "It is with pleasure that I write to tell you of the great benefit I received from the use of your medicine, 'Fruit-a-tives'. I was a great sufferer for many years from *Nervous Headaches and Constipation*. I tried everything, consulted doctors; but nothing seemed to help me until I tried 'Fruit-a-tives'.

After I had taken several boxes, I was completely relieved of these troubles and have been unusually well ever since."

Miss ANNIE WARD.

FRUIT SEASON AT ITS BEST

Apricots and Strawberries Over But Peaches Will be In Soon.

The fruit season is now about at its best with strawberries rapidly disappearing from the local stands. The shipments from up river are becoming less and the price is again rising after having been at its lowest gradient. Local raspberries and black currants are in fine condition and much preserving has been done during the past few days.

Peaches are expected to arrive within the next few weeks and will be sufficiently low priced to merit preserving. The apricot season is nearly over and local merchants report that there has not been such a great demand for these fruits as in former years. Apples are still rather high priced and will not come down very much until about September 1. Pears which are still arriving from south of the line are rather expensive and will remain high until the Canadian orchards begin to yield their crop. Currants have gone up in price since last week.

There are no great changes in the regular line of goods except that fresh laid eggs have now raised to 80 cents per doz. Meat, although coming down in price very slightly in the stock market, shows no change here during the past few days.
