ARBITRATE OVER PIPE

Board to Be Appointed To Settle Differences Between City and Local Supply Firm

The city council decided last night to enter into arbitration proceedings in the matter of a dispute between the corporation and the firm of Albert & McCaffery over sewer pipe which was supplied by the latter concern some time ago and which was not accepted by the city engineer on the grounds that it did not comply with specifications. Similar pipe was said to have been accepted and used by the former city engineer.

Correspondence from Albert & McCaffery on the matter was read, the company agreeing to arbitration on condition that the pipe in question be tested and an expert sent to Prince Rupert to make examinations and take samples, the suggestion being that the hearing be held in Vancouver.

After considerable discussion the council decided on motion of Ald. Brown and Ald. Rudderham to inform Albert & McCaffery that the city consented to arbitration, the board to consist of three members—one to be chosen by the city, another by the firm and the third selected by the two—and the hearing to be held in Prince Rupert. It will be left to the board to decide upon such examinations and tests of pipe as may be deemed necessary.

Appointment of the city's representative in arbitration was deferred until further word has been received from Albert & McCaffery.

TRAINS TO CHANGE

Effective next Monday, the daily train service to Prince Rupert will be discontinued and a three-train-a-week service for the winter inaugurated. Trains, thereafter, will arrive from the east at 1:30 Sunday, Tuesday and Thursday afternoons and leave for the east Monday, Wednesday and Saturday mornings at 11:30.

The satisfactory sum of \$253.30, including \$161.65 collected by the Imperial Order, Daughters of the Empire, in street tagging on Saturday, \$58.65 collected in the schools, and \$33 taken at the Armistice Day banquet on Monday, was realized by the sale of poppies this year for the Canadian Legion.

Rt. Hon. W. L. Mackenzie King, Prime Minister of Canada, was among those upon whom a poppy was pinned on Saturday afternoon by the local girls. This occurred as he stepped forth from his car at the railway station on Saturday afternoon. For the rest of the day, the Premier wore a big bright poppy.

LADIES' WHIST IS ABANDONED

Sufficient Entries Were Not forthcoming So Competition Will Not Be Held

Because it has been found impossible to get a sufficient number of teams entered, the ladies' section of the Fraternal Whist League has been abandoned for the present season, it is announced by F. E. Wernig, secretary of the Whist League.

In view of the abandonment of the ladies' section, it is understood that the Dybavon Cup, emblematic of city whist championship, will be awarded this season to the team heading the men's section, while the Newton Cup, for runners-up, will go to the team coming second. Definite decision in this matter will be made later by the league.

Elks Leading In Billiard Match

Have Substantial Margin Over Canadian Legion in Three of Five Games

Evidently the Billiard League is to suffer from the nuisance of postponed games, although there was a clause placed in the bylaws this year whereby forfeits were to be exacted in the failure of players to turn up for games. Last night in the regular fixture between the Canadian Legion and Elks only three of the five games were played. The Elks won all three and are leading so far in the fixture by a score of 750 to 496. The games played were as follows:

M. Andrews (Canadian Legion), 102; C. P. Balagno (Elks), 250.

G. P. Tinker, 215; Will Mitchell 250.

R. Young, 179; W. Lambie, 250.

A high break of 42 was run by Bill Lambie.

Games postponed were: A. Murray vs. A. A. Easson and J. W. Scott vs. Fred Stephens. These will probably be played tonight.

Birthday Party at Jap Inlet

JAP INLET, Porcher Island, Nov. 13.—At the residence of Sam Olsen, Jap Inlet, on Halloween night, was held the birthday anniversary of A. E. Allen, the grand old man of Jap Inlet who now resides at Kamloops.

Mr. Olsen, who presided, said Mr. Allen was now 82 years old, and from what he knew of him, he would not be surprised if he lived to be the oldest man in Canada. Mr. Allen had the distinction of having been the oldest resident in Jap Inlet. He also had the further distinction of having been our most popular one. He referred to Mr. Allen's great knowledge of numbers, their history and meaning, especially as to cube root, at unbeatable.

Mr. Wanhope proposed the toast of the evening to Mr. Allen's long life and happiness. The rest of the evening was passed pleasantly, the wish having been often expressed that Mr. Allen was there in person.
