What Eye Glasses Are For.

GLASSES have many uses, but only one purpose—the restoration of the sight to a natural condition.

YOU were intended to see well and easily. If you do not—then you should make haste to discover the trouble and apply a remedy.

THE want of a pair of suitable glasses may be all that prevents you having visual perfection, health and comfort.

LET us examine your eyes and tell you whether or not this is so.

Brief Facts of Salvation Army War Work

In the Salvation Army huts, the Army officers serve hot drinks and food to men of all ranks; the Army mends clothes, furnishes music and entertainment; safeguards home ties, sustains morale, and inspires faith in the teachings of Christ. The Army also maintains a constant stream of parcels of comforts to the men at the front and wounded in hospitals.

The Salvation Army carried on extensive work in connection with the Boer War. Its Naval and Military League has been in operation for nearly a quarter of a century.

A shipment has just reached us consisting exclusive single lengths in coatings and suitings.

The fabrics are Velours, Serges, and fine-patterned tweeds. They are all wool and of a splendid quality and represent a purchase made a good while ago and at a much lower price than we could buy at now.

These are in just one pattern, or color, of a kind, which gives our customers an exclusive length that cannot be duplicated locally.
