Parent-Teachers Heard Address On Japan at Meeting

The Parent-Teachers' Association at a meeting in Borden Street School last evening presided over by Mrs. Winslow, heard an interesting address from Miss Lennox on "Physical Characteris-

In telling of the country, Miss Lennox mentioned that there was an average of three and a half earthquakes a day in that country although many of them were hardly noticeable. She told of ascending volcanoes and of peeps into craters, and of other experiences, humorous and otherwise in that delightful country.

At the close a vote of thanks was proposed by W. W. C. O'Neill
