## UPON BY UNITED STATES COASTGUARD CUTTER NO. 1

HALIFAX, Sept. 19.—With her stern port quarter pierced and part of the rail carried away by shells which Capt. John McLeod of Halifax declares were fired by the coastguard cutter No. 1, forty-five miles off New York Friday night, the Nova Scotia motor vessel Shawnee docked here last night from Bermuda.

Captain McLeod announced his intention of forwarding a formal protest to Ottawa today. He said that he was 26 miles off New York Friday night bound for Bermuda from Ha'ifax in ballast when at 1:45, without lights, a vessel on the Shawnee port bow fired five shots without warning.

VANCOUVER, Sept. 19: -"When rail connection is established between Peace River district and the Pacific Coast it would appear that Vancouver would be the logical point for an outlet to the coast." President Beatty of the Canadian Pacific Railway said here vesterday.

Regarding the Pacific Great Eastern, Mr. Beatty said it it would be time enough to discuss that matter when the survey now under way had been completed.

Answering the question as to whether there was any obstacle in the way of a branch of the Northern Alberta Railways being run into the British Columbia block of the Peace River, he said he saw no reason why it could not be
