
TO REPRESENT CANADA

Miss Carrie Carmichael of New Glasgow, N.S., who with Mrs. W. E. Sanford of Hamilton and Miss Winnifred Kidd of Montreal, will represent the Canadian National Council of Women at the quinquennial gathering of the International Council of Women in Great Britain, April 30 to May 3.

Man in the Moon

What a lot of important people we seem to get here in bunches. Oh, well, we can now rest in peace once more.

A lot of people came to talk. Or else to hear our say. But what their visits were about I hardly know today.

If we spend most of our time talking to people about other people how can we expect other people to stop talking to more other people about us.

The gentle spring has come at last.

My senses tell me so. I love, I love, the gentle spring. But why does it rain so?

People who use their heads are not always so very intelligent. Look at the woodpecker.

T. C. Duncan, superintendent of utilities, made a report to the city council last night recommending that a 250 kilowatt generator be installed at Warke Canal to supplement the municipal power supply.

Increased work is to be done for Northern British Columbia by the provincial government. Hon. T. D. Pattullo, minister of lands, who is in the city, announces.

William Turnbull, formerly editor of the Daily News, has been promoted from the position of private secretary to the minister of public works to that of superintendent of the provincial government. Norman A. Watt succeeds him as private secretary to the minister of lands.

NOTICE

Mining Company officials are asked to note the provisions of Section 16, "Mineral Survey and Development Act," which are quoted herewith, and to govern themselves accordingly.

(1) Where a corporation, other than a private company under the "Companies Act," acquires an interest in, or title to, or engages in work on any mining property situated in a mineral survey district, it shall forthwith notify the Resident Engineer of that district, and the Provincial Mineralogist, and file with them full particulars thereof, and shall also file with them, as soon as it is issued, a copy of every prospectus or statement in lieu of prospectus which is required by the "Companies Act" to be filed with the Registrar of Companies.

(2) Where a corporation, other than a private company under the "Companies Act," issues, publishes, or distributes, or causes to be issued, published, or distributed, any pamphlet, bulletin, circular, advertisement, or publication relating to any mining property situated in the Province in which the corporation has an interest or on which the corporation is engaged in work, the corporation shall forthwith file a copy of the pamphlet, bulletin, circular, advertisement, or publication in the office of the Resident Engineer of the mineral survey district in which the mining property is situated, and shall also forthwith file three copies of the same in the office of the Department of Mines at Victoria.

(3) If a corporation makes default in complying with any requirement of this section, it shall be liable, on summary conviction, to a fine not exceeding twenty-five dollars for every day during which the default continues, and every director and every manager of the corporation who knowingly and wilfully authorizes or permits the default shall be liable to the like penalty.

For Information Regarding British Columbia Mines Apply to the
