# Children Smoke At Three Years Admiralty Isds.

NEW YORK, N.Y., Dec. 17.-Cigarette smoking by 3-year-old children was one of the customs that Rupert D'Oyly Carte to stage the HUNT'S FURNITURE & Dr. Maragret Mead, ethnologist, Gilbert and Sullivan operas, folsays she found among the natives of the Admiralty Islands. Dr. Mead, the earlier works, "Trial by Jury," who is assistant curator of ethnology at the American Museum of Penzance." Natural History, visited the islands to make a comparative study of the development of primitive and civilized children.

The Admiralty Islands are southwest of the Phillippines. They were part of German New Guinea and now are controlled by Australia under a League of Nations mandate.

Dr. Mead said that the children began smoking cigarettes, made of Louisiana twist wrapped in newspaper, at the age of three. She said the practice apparently had no illeffects on their health. They are as bright and more nimble than American children. She said she he present season. But when the had not as yet formulated her con-

D'Oyly Carte Company Opens Long Season at Savoy After Absence of Years

LONDON, Nov. 22:- (By Thos. T. Champion, Canadian Press Staff Correspondent)-It was a memorable night on more than one account at the Savoy Theatre here when the D'Oyly Carte Company, after an absence from London of several years, opened a season in Gilbert and Sullivan opera extending over several months. What is particularly interesting is that for this new season in London the company find their abiding place at the Savoy Theatre. This theatre was specially built by the late
