## Baseball Season Opened Yesterday at Acropolis Hill When two Teams Played Interesting Scratch Game

Three-Team League Seems Assured With Gyro Club,  
Elks and Native Sons Represented

The size of the crowd of intending players which turned out for the initial practice of the season on the Acropolis Hill grounds yesterday morning and the enthusiasm displayed by the forty or so persons who were present should augur well for a successful baseball year in Prince Rupert in 1929. The workout continued for about two and a half hours and an impromptu game was played between a select team and a high school nine, the former winning 10 to 6 in five innings. The exhibition was not a bad one considering the fact that it was the first time this year that many of those who participated had touched a ball or bat this year.

B. Gwyer pitched excellently for the High School boys, while Verge Moore, a recent arrival here from Stewart, and Bill Lambie took turns in the box for the older men. Another new player was George Arsenau, formerly a Commercial Leaguer in Vancouver. The select team consisted of H. Minnehan, catcher; Bill Lambie, pitcher; Bill Mitchell, first base; George Mitchell, second base; Joe Downey, short stop; Jimmy Farquhar, third base; and Verge Moore, George Howe and George Arsenau, outfielders.

Baseball organization for the season is proceeding and the annual meeting will likely be held this week, possibly on Thursday. Jimmy Farquhar and Stan Moran have the organization of a team for the Gyro Club in hand; George Mitchell and George Arsenau are could there be more than three teams which number has made up in charge of a prospective Elks' Club, while Lee Dell and Harry Love have charge of arrangements available if the youngsters who are coming up are taken into account.

Jack Kearns, manager of Mickey Walker, middleweight champion, has received an offer of \$100,000 for a title bout between Mickey Walker and Ace Hudkins at Wrigley Field, Los Angeles. The bout will be held June 4 and staged by Jack Doyle, Los Angeles promoter, who made the offer. Kearns said that promoters in Chicago, Detroit and New York were after the match, and he would accept the most attractive proposition. He refused to give Doyle a definite answer.

A little flight of 15,000 miles or so is a mere detail in the life of Mrs. Keith Miller, who once flew from England to Australia and now plans to make either two-hop or non-stop flight from Los Angeles to New York, then from New York to London, followed by return flight to New York and Los Angeles. She has just obtained her private pilot's license.

## NUMBER HAD FIRST SWIM YESTERDAY

The swimming season opened for a number of local young people yesterday and Saturday. Reports vary as to the water, but the consensus of opinion is that it is rather cold yet. The frosty nights have had the effect of keeping the temperature down.

A great many visited the lakes yesterday, but only a small proportion of those who were there had the courage to take a dip.

## NEW STEAMER AT NASSAU

To toast to Canada a Luncheon Aboard Vessel; 2,000 Visit Ship

NASSAU, Bahamas, April 22:—"Canadians sink all differences of politics when it comes to linking the empire together," said Marcourt Malcolm, speaker of the House of Representatives, Bahamas, in proposing the toast to Canada at a luncheon on the new SS Lady Somers, of the Canadian National Steamships, today. The function at Prince George dock was attended by 100 representatives, officials and business men of the colony. This event followed the colorful arrival last night of the Lady Somers, instituting the western service of the Canadian National Steamships, which arrived in port with the Argyle and Sutherland Highlanders Band, bound from Bermuda to Jamaica, playing on the upper deck.

W. McLeod Clark, secretary of the Canadian Chamber of Commerce, replying to the toast to the Lady Somers, said, "Trade plays a large part in building the empire and the Canadian National Steamships link the West Indies and Canada."

During the afternoon, general enthusiasm was shown by the people of Nassau, 2,000 visiting the boat.
