

Man in the Moon

A lady was walking in the direction of Port Edward when she was met by an official who asked where she was going. She said she was looking for Sir Henry Thornton. When asked if she expected to find him thereabouts she replied that she was on his track.

One difference of opinion on the part of delegates to the convention was whether the new province shall extend south to the fifty-second or fifty-third parallel.

It was down at the yacht club they were talking about some rather intuitive engine when a wit remarked: "It must have smoked a lot when it was young and never grew up."

Jake says he agrees with the bobbed hair, short dresses and cigarettes for girls but he does not like the backless gowns that are now the vogue.

I like to see the girls
Walking round the town
But what I do not like to see
Is the latest backless gown.

"Why bring that up?" ejaculated a local officer when told by a friend this rainy weather makes him sick.

Jake says when he is dirty he uses water but when thirsty he uses something else—Possibly pop.
