Cars of Grain Will Again Begin John M. Morrison Elected Head Rolling This Way From of Organization at Meeting Last Night

originally reported due here on following officers at its annual rive tomorrow and, being already ceremonies being carried out by lined, will go on berth immed- Fred Scadden; iately at the Alberta Wheat Past Great North Moose-Alois Pool's Prince Rupert Elevator to Ohnesorg. start loading a full cargo of wheat for the United Kingdom or continent. The steamer Adra, also British, which was at first expected to arrive ahead of the lum. Gracefield, is still expected on thursday and will be the sixth grain ship of the season here. the is also lined and will load full for the United Kingdom or continent. A third ship reported

... the british beamer Hindpool which is expected about the week-end and | will also load full for the United UNITED CHURCH L. A. Kingdom or continent.

With these three boats relieving ie congestion which has been ast few weeks, grain shipments a to be resumed at once from the prairies to Prince Rupert and wheat is expected to soon be moving in-here again at the rate f fifty carloads ner day.

SALVATION ARWY YOUNG PEOPLE TO

The Salvation Army Young Peo- Payne. ple's Legion met last night. The Secretary-Mrs. T. W. Silveropening exercises were conducted sides. by the newly appointed chaplain, Treasurer-Mrs. G. V. Wilkin-George Almon. The meeting took son. the form of preparation for the following week.

It was decided that a debate should take place on the destructiveness of fire and water. Chaplain G. Almon was chosen to be the leader for water, and Captain Anderson for fire. Other debaters will be: For water, Miss F. Pierce, Miss E. Pierce, Miss F. Pierce, Miss D. Montgomery; for fir will be the judge.

Games were enjoyed by all and the gathering closed with prayer.

UNITED CHURCH

Rev. A. Wilson Spoke On New Year Resolutions at Meeting Last Night

Urging upon his hearers the desirability of ever being of good cheer, Rev. A. Wilson, pastor of First United Church, combined the Henry humorous with the serious in addressing the Young People's Society last night on New Year resolutions. The meeting was presided over by the president, George H: Stocks, and business included the discussion of plans fothe coming season. There was also the usual recreational period. It was the first meeting following the Christmas and New Year re-

AFRICAN EXPLORER

An exploration of the Zinmabwe ruins in Southern Rhodesia ill be made by Miss Gertrude Caton-Thompson (above), brilliant Englishwoman. She believes these ruins are the site of King So'omon's mines.

The Importance of the Two-Tone Frech in an Ensemble Age

Have you a coat in an unusual shade of red of green? Here is ress you have been seeking.

The skirt is made of marocain crepe to match your coat, and the blouse may be of any shade that delights your eye, provided the skirt agrees to the combination. Notice the triple-bow effect a little below the V-neckline, which is repeated at the banded hipline of blouse.

CHIC SPORTS FROCK FOR CAMPUS-WISE CO-EDS

two-piece frock of jersey with just the suggestion of a flare.

This model achieves that rakthe younger generation lity of cut. The skirt flares just a bit to one side, and the sole trimming is a tasselled bow on both shoulder and hip. Stunning in your college colors.

CODE INSTALLED

This symbol is the identifying mark of a Warm air heating system installed according to the specifications of the Standard Code. A McClary "Sunshine," Code installed, guarantees 70° of heat for every room in zero

OLD is fine for Polar Bears, but not so good for human beings! A chilly or poorly heated home, for example, is a menace to the health of everyone in the household.

There is only one answer-McClary "Sunshine" Warm Air heating. For real home comfort, for mellow, healthful warmth, no other heating system can compare with it. Like the balmy breath of a June day, the air is kept constantly re-circulated, properly moistened. So unlike the dry heat from iron radiators!

Burns any kind of fuel, the famous "Ventiblast" ring making thorough combustion a certainty. Saves money in actual use and it costs much less to install this guaranteed McClary Warm Air System than hot water or steam systems.
