

### SCOTSMEN WIN SOCCER GAME

Beat Trail Club by Score of 2 to 1 In Well Contested Match Last Evening.

Last evening's football game ended in a score of 2 to 1 in favor of the Scottish team. The play was fast during the whole match and the Trails with up hill in the first half kept the Callies in check in spite of many good rushes down the field. At half time the score was nil and both teams working hard to get a point. The second opened with the Trail builders coming down the field but too frequently they were broken up by a strong half back line. At last Sid Hardy scored a neat goal past Jim Hunter who was now defending the net instead of Martin who had gone up to the left wing. Things looked bad for the Thistle upholders but working up the field they gradually got within goal shot and Bennett did the trick. The score was tied and the time was steadily getting shorter. The Callies by a series of throw-ins from the right line edged up towards the corner and Bennett once more crashed the ball through the crowd of players in front of the goal and the Callies stood 2 to the Trail's 1.

#### Penalty.

Just before time the referee gave a decision of a penalty on Bennett, but before the Trail men got lined up the final whistle had sounded and the shot was disallowed.

The Callie players gave a fine exhibition of football last evening and Jack Kelly and Jim Currie did themselves credit for their clever checking on the left half of the field. The St. Andrew's boys brought the ball up with them but this procedure was oftentimes not so good as simply potting the ball down the field towards the opposing goal. These were the tactics of Harry Day, and his shots from centre were rather dangerous. Both teams were well warmed up to the play.

#### Referee.

Referee Robinson checked the game up very closely and warned all players in lots of time and avoided all rough house. The game was easily a better exhibition of playing than any held in the league so far.

The line ups were: Callies—goal, Martin; backs, Murray and Currie, half backs, Mitchell, Bennett and Kelly; forwards, Pennycook, Lamb, Williscroft, Wiggins and Hunter.

Trail—goal, Winsby, backs, Watman and Menzie; half backs, Booth, Day and Shaw; forwards, Fallon, Anderson, Hardy, Menzie and Craggs.

### CANOEING ENJOYED BY MANY LADIES

It may seem incredible to many but yet it is true that in Prince Rupert there are many expert lady canoeists. On these long evenings boating is especially attractive and the calm water of the inside harbor appeals to many. Across the bay there are many long inlets and beauty spots which are too rapidly passed up in the fast launch. The other evening two ladies paddled across the harbor as far as McNicholl Creek as the tide would permit and then continued down the other side of the bay till nearly opposite the cold storage, skirting the many numerous islands on

the way. The return was rather hard going as the wind had risen. Nevertheless the whole time taken was only a little over two hours.

A flock of warblers of the Lutescent variety flew through the town during the night apparently going south. Three of them stopped and died at Alderman Barrie's door on Third Avenue. Many citizens on being told of the incident have wondered why they should have chosen Alderman Barrie's doorstep on which to die but the obvious cause was that the door was beneath a telegraph wire and the birds were travelling too fast in the darkness and struck the wire.
