SUNSHINE AND ULTRA VIOLET RAY TREATMENTS

This office takes great pleasure in announcing to the public that we have installed the latest form of ultra-violet ray and sunshine carbon arc lamp.

Radiations from this lamp are particularly effective in nervous conditions, neuralgia, rheumatism, acute sciatica, bronchial troubles, skin troubles, some forms of ulcers, and are helpful in treatment of anemia, as well as being a specific for rickets in children.

The radiations are perfectly sanitary, produce a pleasant glow over the treated area, and the skin will tan heavily in a short time if so desired.

A trial radiation will be given free of charge to anyone interested.
