Man in the Moon

This is the weather when even very modest people can make considerable splash.

The golfer's favorite song is "After the Ball."

Jake says a lawyer is like a sick man. First he lies on one side and then on the other.

A schoolboy when asked to define miscellaneous said it was the greatest man in Italy. That's a Duce of a joke.

Girls who are looking for a man who counts, should marry a cashier or a time keeper.

It's all very well to make jokes about the weather, but this weather is no joke.

The editor says he has had to put off publishing a garden page this week because there was so much snow on the ground.

Ten Years Ago in Prince Rupert
