"Foundation cleansing—the daily elimination of all pore-clogging dust, powder and rouge by one means and one means only, daily use of the soap blended of palm and olive oils . . . I urge all my clients to use it as well as my own Pasta Divina and Eber Cucumber Emulsion."

BERLIN W. 158 KANTSTRASSE ROME-PRAGUE-VIENNA-SANTIAGO

THE smartest women of the Mid-European world take all their beauty problems to the celebrated Elise Bock of Berlin. Madame Bock's salons de beauté in Rome, Prague, Vienna and Santiago are well known to travelled women of fashion, who consult her constantly.

Known throughout the world

Many of our own lovely women go to Europe to discover the international fame of a beauty treatment which is already popular throughout Canada.

They go to Vienna and hear from Pessl this same truth. Madame Jacobson, of London; Massé of Paris; Lina Cavalieri, of Paris—these are just a few of the more than five score outstanding international beauty specialists who advise twice-a-day use of a soap containing palm and olive oils. They recommend one soap and one soap only Palmolive!

Madame Bock has a special reason for stressing the importance of "foundation cleansing." Powder and rouge gradually work their way into the pores. Only a part remains on the surface. The rest combines with dreaded blemishes appear.

J. Nelson Day, Ltd., who operate this attractive shop say: "We heartily agree with the world's leading beauty experts that foundation cleansing of the skin with Palmolive Soap is necessary if one wishes to have a beautiful skin. The smartest women of Terento, patrons of our beauty salon, are urged to do this with Palmolive Soap twice a day."

A"A lather made with Palmolive Soap, massaged gently into the skin will not only stimulate the complexion in a healthful way but the emollient effect of palm and olive oils have the most beneficial effect."
