Recently a presentation was made to Mr. and Mrs. Jack Austin by the workmen in the Grand Trunk yard and shops here. It was a little appreciation by fellow workmen. A leather lined Morris chair of fumed oak was the gift to Mr. Austin and Mrs. Austin was the recipient of one of the latest models of electric cookers with everything complete. J. Brooks in a few well chosen words made the presentation which took place in front of the locomotive foreman's office. Mr. Austin answered fittingly for Mrs. Austin and himself.

tempts to change the Government in Russia. That country was a horror from one end to the other. Some other of the European countries were not much better. He had not much sympathy for the man who was not a good loyal citizen of the British Empire.

**Not Wakened.**  
Rev. Canon Rix said the country had not wakened to the condition that the land was full of people who had evaded the draft law and hated the British Empire. Many of them had really said that if the war only lasted a few years they would be able to make their stake. And the soldiers were at that time getting \$1.10 a day. Why should a woman have to live on \$40, \$50 or \$60 a month when her husband formerly brought her \$120? The speaker asked what right had he to live and keep a home in comfort when the widow of the man who fell overseas got not half as much. It was time something was stirred up and the returned soldiers should keep it going.

**CATHOLIC LADIES DANCE LAST NIGHT**

Enjoyable Event When Many Young People were Entertained in St. Andrew's Hall.

Last evening in the St. Andrew's Hall the members of the Catholic Ladies' Activities gave a most enjoyable dance. First class music was provided by the Westholme orchestra and the arrival of Mr. Brown of the Empress Theatre who took the drums, added considerable "go" to the affair.

The ladies in charge are to be specially complimented on the excellent way in which the refreshments were served. As soon as the announcement was made, all rushed up stairs and took the helpers by storm. Those in charge worked very hard for the success of the event and the many present pronounced the dance a most pleasant affair.

J. F. Roberge and T. W. Moersch very ably assisted with the management of the dance and were always ready to offer their services. Mrs. D. McDonald was in charge of the punch bowl for the evening. Ladies who contributed to the occasion were Mrs. D. W. Morrissey, Mrs. Blain, Mrs. C. Balagno, Mrs. A. D. Gillies, Mrs. Griffiths, Mrs. Moersch, Mrs. Parsons and Mrs. Meagher.

**SHORT WEIGHT AT LOCAL BAKERIES**

Police Investigate Bread and Find Shortage—Other Commodities To Be Scrutinized.

At the Police Commission meeting yesterday afternoon Chief Vickers reported that the local bakeries had been visited by members of the force and it was found that their loaves were all short in weight. One bakery was short-weighted 2 ozs., another 1 oz. and a third ½ oz. The commissioners thought that the public ought to be warned against such procedure and in any case when any purchaser found himself short-weighted a complaint should be made at once to the chief of police. Regularly now the bake shops will be visited and the loaves tested.

Commissioner Macdonald thought that the same line of attack should be proposed in regard to other vendors of commodities. This applied especially to the sellers of coal. In many cases the teamsters were blamed for the shortages and weird stories were told of how the transfer men managed to get the coal for themselves. Those supplying the coal ought to be anxious to find out just where the shortage occurred.

**SOCCER MEN JOIN BIG ORGANIZATION**

Will Send Appeal of Trail Club to Dominion Football Association For Consideration.

It is very likely that the Prince Rupert Football Association will affiliate with the Dominion Football Association. The necessary funds and information will be sent to Vancouver by the Trail Club. This was one of the results of the league meeting held after the game on Thursday evening.

The referee's report and the Trail Club protest will both be sent to the Dominion Football Association for consideration. This was the outcome of a rather lengthy discussion at the football league meeting. Robinson stated that he blew his whistle for a penalty two minutes before the time was up and the Trail Club members fooled around so long in getting their men lined up that the end came before the kick was taken.
