Stanley Cup Playoffs Last Night Result in 3 Close Fought Games

TORONTO, March 20.—The Bruins obtained a jump on the Canadiens by smashing out a one to nil victory last night in the first game of the Stanley cup playoffs.

The teams appeared equally matched and displayed almost the same aggressiveness. Boston was able to take advantage of the only break of the game in the first period. After eight minutes Weiland, the Bruin substitute, rushed with Lionel Hitchman. The latter carried and from the inside the Canadiens' defence snapped. Weiland made a perfect pass which the latter rammed into the corner of the net.

The New York's two teams, the Americans and Rangers, at New York battled through 60 minutes of hard hockey to a scoreless tie. No overtime was played.
