While there has been no announce- 4 4 ment of a definite nature either during the session just past or since, it seems probable that the policy of the Government will be one of greatly increasing 65,000 FANS trade within the Empire. The logical step to achieve this is by means of the Canada-British preference. If the United States shut outs Canadian commodities a market for these will be sought elsewhere, preferably within the Empire. This means to be the view held here.

# AWAITING WORD

Plans for Baseball Series Here on Dominion Day Still Held Up Through No Answer

The Dominion Day celebration committee of the Native Sons of Canada is still awaiting word from Ketchikan as to whether or not baseball players from the Alaskan town will come here for a scries with the locals on July 1. Ketchikan will be given until tomorrow night to give its answer and if no word is received by that time it is proposed to instead plan for two local league games to be played on the national holiday.

At a meeting of the celebration committee last night, it was decided to have a junior football game on the morning of July 1, in addition to the children's sports. The Dominion Day cup football final will be played in the afternoon.
