students, rewarding them with opportunities and sometimes fame. Now these two children dreamed dreams and made wishes as they saw the end of schooldays and looked into the years ahead. Their country was prosperous, because the products of the land and factory were the first choice of all the people. All the land and its industries prospered and abounded with opportunities for the children of the people. Each child began the battle of life with the occupation of his choice, and few there were who failed n after years.

Products Bureau of the Vancouver Board of Trade in the interests of the manufacturers of Bestish

There's a moral to this story

The children of today are the nation of tomorrow. Every dollar you spend for a B.C. Product helps certify the industrial progress and prosperity of British Columbia. Your dollar spent for B.C. Products helps provide opportunities and careers for your children in the industries of British Columbia. After all, that is where "life" begins.
