TERRACE

Fire alarm was sounded here early Saturday afternoon over the local telephones when two boys passing the home of Rural Dean T. J. Marsh noticed fire on the roof of his house. Fortunately, two painters were at work on the other side of the building, and with an extinguisher, quickly rushed to the scene. The blaze was put out before much damage was done. The fire evidently started from a spark from the chimney.

The true purpose of a Budget

VERY year you spend a large proportion of the money you get. So much for clothing. So much for shoes. So much for things to eat-for house furnishings, books and what

Here is the way to get the most for your money.

Keep a budget. Decide what you can afford to spend for each item, and hold yourself within this amount.

Then-to get the most for your budget money read advertisements carefully. The advertisements you read tell you what is newest and best. They give you the latest ideas and improvements. They help you to get more from each dollar you have apportioned in your budget-and so live better and dress better with the same income.

The true purpose of a budget is to enable you to spend wisely-and only by careful reading of advertising can you hope to accomplish this result.

Read advertising regularly. It points the

way to better living.
